Spay/Neuter Assistance Programs

Spaying or neutering your pet is an important part of responsible pet ownership.

To assist low-income residents with the cost of caring for their pets, Lane County Animal Services (LCAS) is offering \$25 spay/neuter vouchers to qualified applicants.

This program is supported, in part, through **License** fees. Funding also comes from the **Adopt-A-Kennel** Program and private donations. The more funding LCAS is able to put into the program the more it will be able to offer.

How Do I Apply?

Applications are available at LCAS, 3970 W. First Ave., in Eugene or by **Clicking Here**. Please note – you will need to submit proof of income with your application.

Will I Qualify?

Applications are reviewed to determine whether or not a pet owner meets the low-income guidelines provided by the Oregon Employment Department.

LCAS staff will call you within 14 days to let you know whether you have been approved or denied. If approved, information regarding participating veterinary clinics will be sent to your home along with spay/neuter vouchers.

A Little History

Animal Regulation Task Force report submitted to the Lane County Board of Commissioners in November 2003. The Board approved a proposal that dedicates five percent of animal license revenue toward addressing the problem of animal overpopulation in Lane County.

LCAS created the program, which offers up to four, \$25 vouchers per year, per household to assist low-income Lane County residents with the spaying or neutering of their dogs and cats.
