GENERAL

(1) The Board shall generally meet on Wednesdays in the Public Service Building; Wednesdays shall be deemed the regular meeting day for purposes of state law.

(2) The Board may, as often as it determines it to be necessary, hold additional meetings on Tuesday of any week.

(3) Any meeting of the Board may, by majority vote, be adjourned to any time, or from time to time, and to any place when such adjournment is in the public's interest for expeditious transaction of County business. Agenda items of substantial general public interest will be normally scheduled for 1:30 p.m., each Wednesday, unless public interest requires an evening scheduling, whereupon the agenda item or items will be scheduled at a reasonable time.

(4) If any member of the board is absent without prior excuse at the time provided in LM 3. 005(1) and (2) above for meetings and is necessary to meet a quorum, then, at the discretion of the Chair, the Sheriff may be directed to locate and produce such member.

(5) Any member who intends to be out of the County may consent in advance to any or all meetings requiring unanimous consent, upon such terms and restrictions as said member may specify.

(6) When any member of the Board is required to be given advance notice of a special meeting, such notice may be given in any way, and by any agent or manner, so as reasonably to inform such member that such meeting has been called and of the subject matter and the time thereof.

(7) A recording secretary shall attend every meeting, and adjourned sessions thereof.

(8) The order of business at any meeting shall be determined by the Chair provided that, when all members are in attendance, any two members may by motion and second bring up any matter of business for consideration and action at any time. Robert's Rules of Order shall apply to the procedures of all Board meetings. However, since the Board has an obligation to be as clear and simple in its procedures as possible, members shall avoid overuse of technical points in parliamentary rules. Any Department Director or employee of Lane County, or any citizen of Lane County, who wishes to bring a matter before the Board may submit a request for consideration to the Chair through the County Administrator.

(9) When it is required that a copy of a proposed ordinance be provided for each member of the Board when such ordinance is introduced, a copy of the ordinance shall be served upon each Commissioner, or his or her assistant, at the office of each Commissioner not later than 24 hours before the hour designated for commencement of the meeting at which the ordinance is to be introduced.

(10) A quorum shall be present for each reading of a proposed ordinance in full or by title only, but such quorum need not consist of the same members, each member being deemed to have full knowledge of such ordinance and competent to act thereon upon the final reading thereof.

(11) Any order of the Board shall be enacted during any properly scheduled meeting. All orders approved by the Board shall be signed on behalf of the Board by the Chair or Vice Chair. Upon being so signed, such order shall be immediately effective unless otherwise provided and shall thereafter be entered in the Board's journal.

(12) Unless expressly authorized by the Board, all ordinances, orders, resolutions, directives of the Board (including letters of support or opposition) and written documents reflecting other Board actions shall be signed by the Chair.

(13) Whenever the Chair and Vice Chair are both absent, the senior-most Commissioner is designated and appointed as Acting Chair for the purpose of approving subdivision plats pursuant to Lane Code 2.070.

(14) The office of the Board shall be located in the Public Service Building, Eugene, Oregon.

(15) No person shall smoke in any manner at any public meeting of the Board.

(16) Hearings on land use matters shall conform to the additional requirements of the land use hearing rules.

Recitals

A. Pursuant to ORS 565. 210(2), the Board of Commissioners shall appoint a board consisting of not less than three nor more than seven resident taxpaying citizens of the County to be known as the Lane County Fair Board. The Fair Board members shall serve staggered terms of three years each. At the first meeting in January, upon the expiration of the term of a Fair Board member, a successor shall be appointed to serve for three years. ORS 565. 210(5) provides that no more than one member of the Board of Commissioners may serve as a member of the Fair Board. It is the intent of the Board of Commissioners, absent extenuating circumstances, to limit the appointment of any individual to the Fair Board to no more than two terms. Members of the Fair Board are subject to removal per ORS 565.225, for reasons as defined by Lane Code 2.300.

B. Pursuant to ORS 565. 210(3), each member of the Fair Board is required to furnish a good and sufficient bond in favor of the County, conditional upon faithful performance of the duties of the office. It may appoint such marshals or police as may be necessary to keep order and preserve the peace during the time and at the place of holding the fairs and all other times when the Fair Board deems such appointments necessary for the preservation of the peace and the protection of the public and private property upon the Fairgrounds. The officers so appointed have the same authority for the preservation of order and making arrests upon the grounds, as would a deputy sheriff.

F. Under ORS 565. 230(1), the Fair Board has statutory authority for the exclusive management of the ground and all other property owned, leased, used or controlled by the County and devoted to the use of the County Fair and Fairgrounds.

The

use of room tax revenues for these purposes shall terminate when the debts are fully paid.

The identified orders control the limitations, purposes, and use of the funds described.

(b) The Board, based on staff recommendations, may limit the amount of staff time and County fiscal resources committed to serving each committee.

(c) The Board shall assign the committee a specific charge by Board Order, which shall be included in Lane Manual Chapter 3. The Board will also establish the qualifications for membership, terms of office and determine time limits to be included in the committee's bylaws and summarized in Lane Manual, Chapter 3 (making reference also to any applicable state or federal laws). All actions of the Committee shall require the affirmative vote of the majority of the designated number of members, regardless of any vacancies. The County Administrator will provide sample bylaws in the Administrative Procedures Manual. The committee is responsible for preparing by-laws with an attached Board Order to be submitted to Legal Counsel and the Board for review and approval, unless provided otherwise. When changes in the Lane Manual require committees to make changes in their bylaws, the changes shall be submitted to Legal Counsel and the Board for review and approval within 90 days of the effective change date in the Lane Manual, unless a further extension is requested and allowed by Legal Counsel or the County Administrator.

(d) Each advisory committee shall provide the Board and County Administration an annual report detailing the committee's accomplishments over the past year and proposed work plan for the coming year. The annual report and work plan are due in the County Administration Office by February 1, each year unless statutorily required plans are due at different times. It is the responsibility of the department staff liaison to coordinate the development of the annual summary and work plan with the committee, and forward the report to County Administration for scheduling on the Board's Agenda.

(e) The County Administration Office on behalf of the Board shall conduct a review and evaluation of each committee annually. After the review, the County Administration Office may recommend to the Board whether the committee should continue, or be eliminated, consolidated or combined.

(2) Appointment Process

(a) Applications. Applications for advisory committee membership shall be accepted at any time and shall be kept for 12 months from the date of the application. Incumbents shall submit a complete new application to be considered for reappointment to an advisory committee. Refer to the specific Lane Manual section on the committee for other appointment information. Refer to the Administrative Procedures Manual for submission information and other details.

(b) Advertisement. Vacancies for committees shall be advertised for 30 days, unless the County Administrator determines that there is an adequate pool of candidates from a previous advertisement for the same advisory committee within the past six months. A shorter advertisement period, or alternative means of identifying qualified applicants may be utilized upon written request from the staff assigned to the committee to the County Administration Office.

(c) Time Frame for Application. Only those citizens who have formally applied for membership within the proper timeframe and have the proper qualifications as specified by the Board in Lane Manual, Chapter 3 may be considered for appointment to an advisory committee.

(d) Conflicts of Interest. In furtherance of the laws relating to conflicts of interest, no vendor shall serve on any advisory committee or board that deals with or makes

recommendations on or awards of contracts with the vendor. In this context, "vendor" means any individual, partnership, joint venture, corporation, private non-profit organization or private for-profit organization who seeks to obtain a contract with the County to provide a service or product on some type of regular basis, i.e., more often than "infrequently" or "rarely." "Vendor" includes employees, board members and any members of the organization who actively participate in the management of the organization.

(e) Commissioner Appointments/At-large Appointments. The following rules apply unless otherwise stated in enabling legislation or a specific Lane Manual section. If an advisory committee consists of 5 members, each member shall be appointed by an individual commissioner. If an advisory committee consists of more than 5 members, 5 of the committee members shall be appointed by individual commissioners. The remaining committee members shall be at-large members, appointed by the Board of Commissioners. If an advisory committee consists of less than 5 members, all members shall be at-large members, appointed by the Board of Commissioners.

(e) Term. Unless otherwise stated in enabling legislation or a specific Lane Manual section, appointees to all committees, boards and commissions shall serve at the will of the appointing commissioner(s), but for no longer than 4 years without reappointment. This provision shall immediately apply to all appointments made after the date of adoption of this section. For current appointments, the committees and the Board of Commissioners shall have 6 months from the date of adoption of this section to determine which appointees are at-large appointees and which are appointed by individual Commissioners. Legal Counsel and the County Administrator shall help committees with the transition process.

(f) Two-Term Limit. In order to give more people an opportunity to participate on advisory committees, appointment of an individual to any one advisory committee shall be generally limited to two consecutive terms. This two-term limit shall apply to all positions appointed by Lane County which are not designated by the County or statute as being filled by a specific individual. However, in circumstances when the Board deems it in the County's best interest, the Board may reappoint an incumbent to more than two consecutive terms. An individual who has served for two terms may in all events be eligible for reappointment after not serving for one year.

(g) Vacancy During a Term. Whenever a vacancy occurs during a term, a replacement shall be appointed. If the position is a position where an individual Commissioner must make the appointment, the Commissioner shall have 90 days from the date the Commissioner is made aware of the vacancy to fill the position. After 90 days, the Board of Commissioners assumes the responsibility of filling the position.

(h) Interview. The Board may designate certain committees to undergo an interview process prior to appointment and the Board retains authority to interview applicants for any of Lane County's advisory committees. The Board may appoint a subcommittee to conduct the interviews. The Board has designated these bodies as committees whose applicants will be interviewed as a vacancy occurs:

- (i) Board of Property Tax Appeals.
- (ii) County Fair Board.
- (iii) Planning Commission (Lane County).
- (iv) Mental Health Advisory/Local Alcohol and Drug Planning Committee.

The County Administrator is delegated authority to implement the interview process. If other committees choose to conduct interviews prior to submitting recommendations to the Board of Commissioners, the interview process shall be conducted consistent with the approved County interview processes. In all instances where committees are tasked

with interviewing or otherwise reviewing application materials when vacancies occur, the committees shall forward on recommendations to the Board regarding potential appointees. Unless there was not enough interest to fulfill this requirement, the committee shall forward on at least two names, unranked, for every vacancy. The Board shall determine if an appointment should be made, and if so, which individual shall be appointed.

(i) Notice. Notice of committee vacancies shall be sent to city offices, public libraries and other sources, in addition to the normal news media list.

(j) County Employees. County employees shall not ordinarily be deemed eligible as citizen representatives on advisory committees. However, there are instances where such membership may be appropriate. The Board shall consider applications from County employees when the employee presents sufficient written rationale for membership to County Administration Office. The County Administration Office shall review and make recommendations to the Board. The Board can remove appointments in any case in which a problem may arise.

(3) Communication Between Committees and the Board of County Commissioners

(a) A copy of all minutes of advisory committee meetings shall be sent to the County Administration Office.

(b) Committee recommendations for public action must be submitted to the Board for approval prior to taking action.

(4) Staff Support for Committees

(a) The staff person assigned to an advisory committee shall provide the support determined by the County Administrator.

(b) Staff may participate in committee deliberations, but shall not vote on deliberations.

(c) Staff may serve as chair for a new committee until it is sufficiently organized to elect officers. *(Revised by Order No. 00-8-16-1; Effective 8.17.00; 09-3-18-1, 3.18.09; 09-4-29-1, 4.29.09)*

TASK FORCES

3.507 Task Forces.

(l) Creation of task forces:

(a) Task Forces will be created by Board action, or by the County Administrator in cases where Board policy is being implemented. Task forces which are created by the County Administrator will follow the guidelines in 3.507(c).

(b) When the Board creates a task force, the following procedures will be followed:

(i) The Board will give the task force a specific charge, and that charge will be transmitted to the task force through a Notice of Board Action. The charge will include a date on which the task force will complete their deliberations and report to the Board or request an extension.

(ii) In creating a specific task force, the Board will designate membership.

(iii) Meetings and Reports.

(iv) If the County Administrator is a member of the task force, he or she will call the first meeting. If the County Administrator is not a member of the task force(s), he or she will designate one of the members to call the first meeting.

(v) At the first meeting of the task force, a chairperson will be elected, the charge of the task force will be reviewed and a time frame will be established for meeting that charge.

(vi) The chairperson will be responsible for developing a memorandum to be sent to the County Administrator, listing the chairperson and the schedule for meeting the charge of the task force.

(vii) No later than every two months, the chairperson will submit a memorandum to the County Administrator, detailing the progress of the task force and outlining the status of deliberation.

(viii) Disbandment. When the task force has accomplished its original charge and has prepared a report to the Board of County Commissioners, the chairperson will contact the County Administrator to put the report on the Board agenda. The chairperson will then present the report to the Board. If the Board does not set any additional specific tasks or charges to the task force, the task force will cease to exist. If additional charges are given to the task force, then they will operate according to the above-established guidelines.

(c) In cases where the County Administrator creates the task force, he or she will designate membership as well as the chairperson. A charge and date of completion for task force activities will be determined by the County Administrator who will have discretion as to when the task force is disbanded or extended. Progress reports will be presented to the County Administrator as needed and prior to the scheduled date of completion. *(Revised by Order No. 93-3-31-7; Effective 3.31.93)*

WATERSHED COUNCILS

3.508 Watershed Council.

(1) Creation.

(a) The Board will consider officially recognizing a watershed council when it meets the criteria described in LM 3.508(2) below, and upon completion of the following process.

(b) When a group believes it meets the criteria of LM 3.508(2) and it desires formal recognition, it shall request recognition and the Board may convene a local government group comprised of elected officials of interested cities, counties, water supply districts and sewer districts.

(c) The purpose of convening the local government group is to consider whether the requestor group is comprised of a sufficient balance of interested and affected stakeholders in the watershed, and whether it assures a high level of citizen involvement in the watershed action program. If so, the local government group shall designate the requestor group as a recommended watershed council to the Board.

(d) The Board may, but is not required to, use the services of the Lane Council of Governments as the local government group.

(2) Criteria.

(a) Watersheds. The Board has recognized five (5) river basins located primarily in Lane County: the McKenzie, the Middle Fork of the Willamette, the Coast Fork of the Willamette, the Long Tom and the Siuslaw. To be a recognized watershed council, the group must represent interests covering the entirety of one of these five basins. Other watershed councils representing interests covering the entirety of another river basin watershed that includes areas in Lane County must be recognized by the governing body of the county where most of the watershed area is located before the Board will consider recognition. If so, the Board may choose to recognize the council

without convening a local government group in Lane County if the group seeking recognition meets the membership criteria in LM 3.508(2)(b).

(b) **Membership.** The group seeking to be a recognized watershed council must be comprised of a balance of interested and affected stakeholders in the watershed, and it must meet the representational requirements of ORS 541.388(2). The Board must also be appropriately assured that the group will be able to sustain a high level of citizen involvement in the development and implementation of a watershed action program.

(3) **Purpose.** Recognized watershed councils are formed and recognized for the purpose of addressing the goal of sustaining natural resource and watershed protection and enhancement, in accordance with 541.395. The councils are recognized as voluntary local organizations.

(a) Councils are encouraged to seek monetary and staff resources through partnerships or grants. Lane County recognition does not mean the County can or will provide such resources.

(b) Councils shall periodically report on their activities to the Board, not less often than once per year. *(Revised by Order No. 97-4-2-1; Effective 4.2.97; 08-7-30-9, 7.30.08)*

(e) No member of the Planning Commission shall participate in the discussion, hearing or decision of the Planning Commission upon any matter in which he

or she is directly or indirectly interested in a personal or financial sense. In the event of such conflict of interest, a member shall announce his or her disqualification at the earliest opportunity and such fact shall be entered on the records of the Commission.

(4) Referrals From the Board of Commissioners.

(a) Purposes.

(i) It is important for the Planning Commission to have an opportunity to respond to the Board concerning any substantial planning and land use regulatory measure being considered by the Board.

Upon request from the applicant or by its own motion after the 60 days have passed, the Board may consider any matter upon which the Planning Commission has not completed its actions.

(4) Referrals From the Board of Commissioners.

(a) Purposes.

(i) It is important for the Planning Commission to have an opportunity to respond to the Board concerning any substantial planning and land use regulatory measure being considered by the Board.

(ii) It is not necessary for planning commissions to respond when the record is clear as to its position or when the proposed change has little substantive effect.

(iii) Board referrals to the planning commissions should be avoided which would serve little value and only result in time delays, unnecessary expenditures of public or private monies and public confusion.

(b) Policy. Referrals may be made by the Board to the Planning Commission on all matters pertaining to the adoption and amendment of the comprehensive plan when:

(i) The change contemplated by the Board substantively differs from the Commission's recommendation.

(ii) The Commission's record is not clear as to its position with respect to the Board's contemplated change from the Commission's recommendation.

(iii) Testimony has been received at the Board's hearing not available to the Planning Commission which the Board has reason to believe may be material to the Commission's original recommendation.

(iv) Required legal hearing procedures have not been followed.

To assure fair and impartial recommendations and determinations and to assure advocates the opportunity to respond or refute information which Board members have available to them, it is mandatory that full disclosures of pre-hearing (ex parte) consideration of all public hearing land use agenda items be made at the time of the public hearing. Board members should avoid prehearing contacts so that their recommendations and determinations can be made based solely on the evidence presented at the time of public hearing.

2. Disclosure of Contacts by Board with Public and Staff. Any discussion, except at a public hearing of the Board, between any voting member and an applicant or his representative, or any other person with a direct interest, concerning a specific case while such matter is scheduled or likely to come before the Board shall be made known, and the substance thereof related by such member, at the beginning of the public hearing before the Board on such case, all of which shall be entered into the record.

The Board shall then allow parties an opportunity to respond to the report regarding the view.

C. Call for Abstentions.

Any member then announcing such an abstention shall not participate in the hearing, in the discussion of the question, or the vote on the question.

3. Such challenge must state facts in writing, by affidavit, relied upon by the submitting party relating to a member's bias, prejudice, personal interest, or other facts from which a party believes that the member will not participate and make a decision in an impartial manner.

4. Such challenge shall be incorporated into the record of the hearing.

5. Any member whose participation has been challenged by an allegation of bias, prejudice, personal interest or partiality or who has been subject to significant ex parte or prehearing contact from proponents or opponents may make a statement in response thereto or in explanation thereof, for the record, and the commissioner's decision to abstain or not. This statement shall not be subject to cross-examination, except upon consent of that member, but shall be subject to rebuttal by any party to the proceeding.

E. Objections to Jurisdiction of the Board. The presiding officer may inquire of the audience whether there are any objections to jurisdiction of the Board to hear the matter and, if such objections are received, conduct such further inquiry as necessary to determine the question. The presiding officer shall terminate the hearing if the inquiry results in substantial evidence that the Board lacks jurisdiction. Any matter thus terminated may, if the defect can be remedied, be rescheduled by the Board.

F. Qualification of Board Member Absent at Prior Hearing. If a Board member has been absent from a prior public hearing on the same matter which is under consideration, that member shall be qualified to vote on the matter if that member has reviewed the record of the matter in its entirety and announces, prior to participation that this has been done.

If the member does not review the record in its entirety, that member shall not be qualified to vote and must abstain. The presiding officer may, at the request of

any Board member or party to the hearing, adjourn the hearing and reschedule it at a later date to allow the member the opportunity to review the record.

G. Presentation of Staff Report. A Lane County staff member having responsibility in the matter will present a summary of the action under consideration as required by law, and any other information deemed necessary to establish appropriate considerations prior to presentation of any public testimony or argument.

H. Establishment of Time Limit. The Board may, at the request of any Board member or any party to the hearing, establish a time limit for those persons testifying before the Board. Such a time limit shall be established by majority vote of the Board prior to the time any public testimony is given, and shall apply equally to all proponents, opponents, County staff members and others who offer public testimony before the Board.
