

## Master Recycler Program Application – Winter 2009 in Florence

Thank you for your interest in the Master Recycler Program. We offer classes twice each year in the Eugene/Springfield area, both Spring and Fall. Winter 2009, we are offering a course Fridays 12:30-3:30pm January 16<sup>th</sup> - March 13<sup>th</sup> 2009 at LCC in Florence.

Due to the enthusiastic response we've received for the class, there is an application process that limits the class to 25 students and accepts completed applications on a first come first serve basis. If you are interested in becoming a Lane County Master Recycler, please complete the following questions and return to:

1. Why are you interested in becoming a Master Recycler?

(over)

2. The Master Recycler Program is free to all students. The program does require a minimum of 30 hours volunteering in the community during the year following graduation. Volunteer efforts must achieve the mission of education or facilitation efforts to increase waste prevention, reuse and recycling in Lane County. Describe how you might fulfill this requirement as a Master Recycler.

3. Individuals that do not participate in the pay back of 30 hours volunteer service are assessed a charge of \$50 to partially cover costs of time and materials. If you would like to choose this option up front, please check here: \_\_\_\_\_

4. When are you available to volunteer? Evenings? Weekends? Other?

5. The class requires two Saturday field trips and nine Friday afternoon classes, from 12:30-3:30pm beginning January 16th, 2008. We expect you to attend all classes and field trips as well as participate in readings and a few homework activities. Is this a commitment you can make? If not, are you interested in future classes?

6. What are some of the benefits of recycling and waste reduction that you know of right now?

7. How did you hear about this class?
