

## Master Recycler Program Application – Fall 2009

Thank you for your interest in the Master Recycler Program. We offer Eugene classes twice each year, in spring and fall. The next class offered will begin Tuesday, September 15th, 5:30 – 9:00 pm, and will continue for nine Tuesday evening sessions through November 10th. During the term there will be two Saturday morning field trips and a Saturday morning compost workshop (dates TBA).

Class size is limited to 25 students per term. Due to word-of-mouth recommendations for this training, classes fill very quickly. Applicants are enrolled on a first come, first served basis in order of submission date (and time). If you are interested in becoming a Lane County Master Recycler, please complete the following and return to:

1. Why are you interested in becoming a Master Recycler?

(over)

2. The Master Recycler Program is free to all students. The program does require a minimum of 30 hours volunteering in the community during the year following graduation. Volunteer efforts must achieve the mission of education or facilitation efforts to increase waste prevention, reuse and recycling in Lane County. Describe how you might fulfill this requirement as a Master Recycler.

3. Individuals that do not participate in the pay back of 30 hours volunteer service are assessed a charge of \$50 to partially cover costs of time and materials. If you would like to choose this option up front, please check here: \_\_\_\_\_

4. When are you available to volunteer? Evenings? Weekends? Other?

5. The class requires 3 Saturday morning field trips and nine Tuesday evening classes, from 5:30 to 9:00pm. We expect you to attend all classes and field trips as well as participate in readings and a few homework activities. Is this a commitment you can make? If not, are you interested in future classes?

6. What are some of the benefits of recycling and waste reduction that you know of right now?

7. How did you hear about this class?
