By submitting this application, you are requesting confirmation that your existing dock complies with the Lane County Code.

SUBMITTAL REQUIREMENTS

- Any evidence, such as pictures, aerial photos, building permits, planning approvals, etc. that show the dock was approved by Lane County, or has existed prior to any planning or building requirements.
- The Department of State Lands (DSL) dock registration form.
- A site plan showing the dock, the water line, and any pathway or stairs to the dock. The site plan must be no smaller than 8 1/2" x 11" and no larger than 11" x 17".
- The application fee

Notes:

The DSL registration form will be returned to the applicant. It is the responsibility of the land owner to submit the DSL application to the state.

Since July 24, 1980, planning and building permits have been required for all docks in Lane County (Ordinance No. 12-80, Effective 7.24.80). If you have no evidence to show when the dock was constructed, you will need to rely on the aerial photos in the Land Management Division.
