

Exemption and Use Assessment Application Fees

Effective July 1, 2015

Reductions in the department's funding over the years have deteriorated our ability to review accounts with long-standing exemptions and use assessments for continued compliance. In a continued effort to ensure that each taxpayer is responsible for their appropriate share of the tax burden, Lane County will begin charging \$100 per exemption application by new entities and for new locations as well as all special assessment applications effective July 1, 2015.

Veterans exemptions are excluded from this charge.

A \$100 filing fee must be submitted with the following applications:
