

# Recycling Guide

## All recycling must be clean.

### Paper Newspapers Magazines

Cereal & shoe boxes, computer & writing paper, junk mail (no need to remove staples, windows or adhesives), magazines & paper egg cartons.

**No cups, diapers, kleenex, paper towels, plates or Tissues.**

### Cardboard

Corrugated cardboard (has wavy middle layer) & brown paper bags only. Flatten all boxes.

**No waxed cardboard or packaging material.**

### Aluminum, steel & tin cans

Aluminum cans, foil & trays. Steel & tin cans. Lids. Labels ok. Rinse. All containers must be 100% empty.

**Do not flatten or remove lids. Ball up foil & trays into large ball. No dirty material or shiny, flexible plastic pouches.**

## recycle glass separately

### Glass

Bottles & jars only. Any color. Rinse. Labels & lids ok.

**No drinking glasses, pyrex, or window glass. No broken glass.**

For more recycling information contact your garbage & recycling company or visit [www.lanecounty.org/recyclingguide](http://www.lanecounty.org/recyclingguide) or email [reduceschoolwaste@co.lane.or.us](mailto:reduceschoolwaste@co.lane.or.us).

## recycle it right!

**When in doubt, find out or leave it out.**
