RFP 21061**

FAQ #1, posted 12/9/20

- Q) Is there a maximum number of positions?  
A) No there is not a maximum number of positions. The number listed in the RFP is suggested, but ultimately it will depend on the proposer's program design.
- Q) Is there a target budget amount for this project?  
A) The budget amount was inadvertently omitted from the RFP. The total budget for this project is \$279,013 for a twelve month period.
- Q) Would laptops or tablets be eligible costs?  
A) This would be an eligible expense.
- Q) The RFP states we need to know the destinations for 100% of clients exiting the program. Especially for the toughest cases that may not be realistic--they may simply take off. We could say they "returned to the street" as their destination. What is the County's expectation regarding this phrase?  
A) The answer to this question is currently being discussed by the HSD team and will be included in a subsequent FAQ.
