

ADDENDUM No. 3

RFP: LCSO COSSAP Grant Transitional Housing RFQ

Addendum Date: February 16, 2021

Closing Date and Time: **EXTENDED TO FEBRUARY 19, 2021**

Item 1: Clarification Question: What services, in addition to housing, is a provider expected to offer the MAT participant?

Answer: The goal is to place individuals in transitional housing with a provider that would best fit their needs. There is not an expectation on what services, in addition to housing, will be provided but knowing what services you are able/willing to provide in addition to housing will be beneficial.
