Master Recycler Program Application

1. Why are you interested in becoming a Master Recycler?

2. The Master Recycler is free to all students, however requires a minimum of 30 hours of volunteering following graduation. Volunteer or project efforts must achieve the mission of education to increase waste prevention, reuse or recycling in Lane County. Describe how you might fulfill this requirement?

3. Individuals that do not fulfill 30 hours of field, project or volunteer work are assessed a charge of \$50 to cover time and materials. If you would like to choose this option, check here.

4. When are you available to volunteer? Evenings? Weekends? Other?

5. What type of volunteer hours are you most interested in? Staffing booths? Top-sorting at events? Independent project? Please list:

6. This class requires (2) Saturday morning field trip/tours and (1) compost demonstration, plus (9) consecutive Tuesday evening sessions from 6:00 pm – 9:00 pm. Is that a commitment you can make? Yes No

7. What are some benefits of waste reduction and recycling you're knowledgeable about right now?

8. How did you hear about the Lane County Master Recycler Program?
