My name is Lon Otterby. I am the Chair of the Many Rivers Group Oregon Sierra Club representing over 2,000 Sierra Club members and supporters in Lane County Oregon. The Many Rivers Group Oregon Sierra Club has been working for several years to protect Lane County's welcoming communities for all people.

We applaud you, the Lane County Commissioners, and the Lane County Equity and Access Advisory Board for the splendid work done to amend the Lane County Manual Chapter 60. We particularly appreciate the directions given to all county staff within this recommendation.

We fully endorse and recommend these additions to the county's policy, and ask you to approve Alternative 1 Move to approve the adoption of the *Resolution and the Order to amend Lane County Manual Chapter 60* to add provisions pertaining to foreign citizenship and for this order to go into immediate effect.

Thank you.
