

BEFORE THE BOARD OF COMMISSIONERS OF LANE COUNTY, OREGON

ORDER NO: 20-05-05-02

IN THE MATTER OF AWARDING A  
CONTRACT TO DANIELS ELECTRONICS  
LTD. DBA CODAN RADIO  
COMMUNICATIONS IN THE AMOUNT OF  
\$526,179.79 FOR UPGRADES TO THE  
SHERIFF'S OFFICE CONVENTIONAL  
RADIO INFRASTRUCTURE AND  
DELEGATING AUTHORITY TO THE  
COUNTY ADMINISTRATOR TO EXECUTE  
THE CONTRACT

**WHEREAS**, the Lane County Sheriff's Office owns and maintains a conventional radio system for communication of first responders, primarily in rural areas of the county; and

**WHEREAS**, the current infrastructure has aged past industry standards and is at risk of failure; and

**WHEREAS**, the Codan Radio Communications is offering substantial savings over quotes received in 2018, if the system is upgraded this year; and

**WHEREAS**, the Board of County Commissioners must approve any contract that exceeds \$150,000.

**NOW, THEREFORE**, the Board of County Commissioners of Lane County **ORDERS** as follows:

1. A contract be awarded to Daniels Electronics Ltd., dba Codan Radio Communications, in the amount of \$526,179.79 for upgrades to the Sheriff's Office conventional radio infrastructure.
2. The County Administrator is delegated authority to execute this contract on behalf of Lane County.

**ADOPTED** this 5th day of May, 2020.

Heather Buch, Chair  
Lane County Board of Commissioners
