**OREGON COMMISSION ON CHILDREN AND FAMILIES
2011-2013 COUNTY INTERGOVERNMENTAL AGREEMENT
EXHIBIT E
GENERAL TERMS AND CONDITIONS**

1. Disbursement, Use and Recovery of Award.

a. Disbursement and Use Generally. Subject to the conditions precedent set forth below, Agency shall disburse the financial assistance described in the Award to County in accordance with OAR 423-010-0027(1) on an expense reimbursement basis or, at Agency's discretion, in periodic proportional allotments. The mere disbursement of financial assistance to County does not vest in County any right to retain those funds. Disbursements not provided on an expense reimbursement basis are considered an advance of funds to County which County may retain only (i) if properly expended, in accordance with terms and conditions of this Agreement, prior to the termination of this Agreement or (ii) if otherwise authorized in writing by Agency pursuant to this Agreement. County shall use disbursed financial assistance for the purposes allowed in this Agreement. County shall not be obligated to provide a level of Activities or Services in Funding Areas beyond the financial assistance provided by Agency.

b. Conditions Precedent to Disbursement. Agency's obligation to disburse financial assistance to County under this Agreement is subject to satisfaction, with respect to each disbursement, of each of the following conditions precedent:

- (i) Agency has received sufficient funding, appropriations and other expenditure authorizations to allow Agency, in the exercise of its reasonable administrative discretion, to make the disbursement.
- (ii) No default as described in Section 8 of this Exhibit has occurred.
- (iii) County's representations and warranties set forth in Section 2 of this Exhibit are true and correct on the date of disbursement with the same effect as though made on the date of disbursement.

c. Recovery of Award.

- (i) **Notice of Underexpenditure or Misexpenditure.** In the event of an Underexpenditure or a Misexpenditure (each as defined below) of any moneys disbursed to County under this Agreement, Agency and County shall engage in the process described in this Section 1.c to determine the appropriate amount that Agency may recover from County, and the appropriate method for implementing such recovery. For purposes of this Section 1.c, an "Underexpenditure" means money disbursed to County by Agency under this Agreement that has not been expended by County at Agreement termination, other than money, if any, that County is expressly permitted to retain and expend in the future under other provisions of this Agreement, and "Misexpenditure" means money disbursed to County by Agency under this Agreement and expended by County that:

- (a) Is identified by the federal government as expended contrary to applicable statutes, rules, OMB Circulars or any other authority that governs the permissible expenditure of such money, for which the federal government has requested reimbursement by the State of Oregon; or
- (b) Is identified by the State of Oregon or Agency as expended in a manner other than that permitted by this Agreement, including without limitation, any money expended by County, contrary to applicable statutes, rules, OMB Circulars or any other authority that governs the permissible expenditure of such money; or
- (c) Is identified by the State of Oregon or Agency as expended on an Activity that did not meet the standards and requirements of this Agreement with respect to that Funding Area.
- (d) The term “Misexpenditure” does not include any County payments or expenditures that are:
 - (A) Made pursuant to Oregon Administrative Rules;
 - (B) Made with Agency’s written discretion or approval; or
 - (C) Consistent with the local plans submitted by County and approved by the Agency.
- (e) If County payments or expenditures are later determined to be impermissible due to a subsequent modification or applicable statutes, federal rules, OMB Circulars or any other authority not listed in Section 1.c(i)(d) above that governs the expenditures of such monies by County, the parties agree to meet and negotiate in good faith an appropriate apportionment of responsibility for the repayment of the impermissible payments.

In the event of an Underexpenditure or a Misexpenditure, Agency shall provide to County notice thereof.

- (ii) **County’s Response.** From the date of County’s receipt of the notice of Underexpenditure or Misexpenditure, County shall have the lesser of (i) 90 calendar days, or (ii) if an Underexpenditure or Misexpenditure relates to a federal government request for reimbursement, 30 calendar days fewer than the number of days (if any) the Agency has to appeal a final written decision from the federal government, to either:
 - (a) Make a payment to the Agency in the full amount of the Underexpenditure or Misexpenditure identified by the Agency; or
 - (b) Notify the Agency that County wishes to repay the amount of the Underexpenditure or Misexpenditure from future payments pursuant to Section 1.c(iv) below; or
 - (c) Notify the Agency that it wishes to engage in the applicable appeal process set forth in Section 1.c(iii) below.

The Agency shall not require County to perform additional services to be paid from the Underexpenditure. If County fails to respond within the time required under Section 1.c(ii) above, Agency may recover the amount of the Underexpenditure or Misexpenditure from future payments as set forth in Section 1.c(iv) below.

(iii) **Appeals Process.** If County notifies Agency that it wishes to engage in an appeal process with respect to a noticed Underexpenditure or Misexpenditure, the parties shall comply with the following procedures, as applicable:

(a) **Appeal from Agency-Identified Underexpenditure or Misexpenditure.** If the Agency's notice of Underexpenditure or Misexpenditure is based on an Underexpenditure or Misexpenditure other than a Misexpenditure of the type identified in Section 1.c(i)(a) above, County and the Agency shall engage in non-binding discussions to give the County an opportunity to present reasons why it believes that there is, in fact, no Underexpenditure or Misexpenditure or that the amount of the Underexpenditure or Misexpenditure is different than the amount identified by the Agency, and to give the Agency the opportunity to reconsider its notice based on such presentation and discussion. County and Agency may negotiate an appropriate apportionment of responsibility for the repayment of an Underexpenditure or Misexpenditure. In determining an appropriate apportionment of responsibility, County and Agency may consider any relevant factors. An example of a relevant factor is the extent to which either party contributed to an interpretation of a statute, regulation or rule prior to the expenditure that was officially reinterpreted after the expenditure. If after such discussions Agency and County disagree as to whether or not there has been an Underexpenditure or Misexpenditure or to the amount thereof, the parties may agree to consider further appropriate dispute resolution processes, including, subject to Department of Justice and County Counsel approval, arbitration. If Agency and County reach agreement on the amount owed to Agency, County shall promptly repay that amount to Agency by issuing payment to Agency or by directing Agency to withhold future payments pursuant to 1.c.(iv) below. However, the parties shall not violate federal or state statutes, administrative rules, other applicable authority, or this Agreement in selecting the method or amount of repayment. If the parties are unable to reach agreement within a reasonable period of time, Agency may employ other remedies available under this Agreement or otherwise available at law or in equity.

(b) **Appeal from Federal-Identified Misexpenditures.** In the event that the notice of Misexpenditure is based on a federal determination of an improper use of federal funds or a federal notice of disallowance and the relevant federal agency provides a process either by statute or administrative rule to appeal the determination of improper use or notice of disallowance, then County may request that Agency appeal the determination of improper use or notice of disallowance in accordance with the process established or adopted by the federal agency. If County so requests that Agency appeal the determination of improper use of federal funds, federal notice of disallowance or other federal identification of improper use of funds, the

amount in controversy shall, at the option of the County, be retained by the County or returned to Agency pending the final federal decision resulting from the initial appeal. County and Agency shall cooperate with each other in pursuing the appeal. Agency shall pursue the appeal until a decision is issued by the Departmental Grant Appeals Board of the Department of Health and Human Services (the "Grant Appeals Board") pursuant to the process for appeal set forth in 45 C.F.R. Subtitle A, Part 16, or an equivalent decision is issued under the appeal process established or adopted by the federal agency. In the event that the Grant Appeals Board or its equivalent denies the appeal Agency may, in its sole discretion, either pursue further appeals in cooperation with County, or notify County that it will recover the Misexpenditure from future payments pursuant to Section 1.c(iv) below. County may choose to pursue any further appeals that might be available to it, and Agency will participate to the extent it determines, at its sole discretion, that its further participation is reasonable and practical. Regardless of any further appeals, within 90 days of the date the federal decision resulting from the initial appeal is final, County shall repay to Agency the amount of the noticed Misexpenditure (reduced, if at all, as a result of the appeal) by issuing payment to Agency or directing Agency to withhold future payments pursuant to Section 1.c.(iv) below. To the extent that County retained any of the amount in controversy while the appeal was pending, the County shall pay to Agency the interest, if any, charged by the federal government on such amount.

- (iv) **Recovery From Future Payments.** To the extent that Agency is entitled to recover an Underexpenditure or Misexpenditure from future payments as permitted in this Section 1.c, Agency may recover the Underexpenditure or Misexpenditure by offsetting the amount thereof against future amounts owed to County by Agency. Agency shall provide County written notice of its intent to recover the amount of the Underexpenditure or Misexpenditure from amounts owed County by Agency as set forth in this Section 1.c(iv), and shall identify the amounts owed by Agency which the Agency intends to offset (including the Agreement or Agreements, if any, under which the amounts owed arose). County shall then have 14 calendar days from the date of Agency's notice in which to request the deduction be made from other amounts owed to County by Agency and identified by County. Agency shall comply with County's request for alternate offset, unless the County's proposed alternative offset would cause the Agency to violate federal or state statutes, administrative rules or other applicable authority. In the event that Agency and County are unable to agree on which specific amounts owed to County by Agency the Agency may offset in order to recover the amount of the Underexpenditure or Misexpenditure, then the Agency may select the particular amounts from which it will recover the amount of the Underexpenditure or Misexpenditure, within the following limitations: Agency shall first look to amounts owed to County (but unpaid) under this Agreement. If that amount is insufficient, then Agency may look to any other amounts currently owing or owed in the future to County by Agency. In no case, without the prior consent of County, shall the Agency deduct from any one payment due County under the Agreement or agreement from which Agency is offsetting funds an amount in excess of twenty-five percent (25%) of that payment. The Agency may look to as many future payments as necessary in order to fully recover the amount of the Underexpenditure or Misexpenditure.

Consistent with Section 1.c.(v)(d), nothing in this Section 1.c.(iv) shall cause County to violate state or federal constitutions, statutes, regulations, rules or other applicable state or federal authority.

(v) **Additional Provisions related to parties rights/obligations with respect to Underexpenditures or Misexpenditures.**

- (a) Agency's right to recover Underexpenditures and Misexpenditures from County under this Agreement is not subject to or conditioned on County's recovery of any money from any other entity.
- (b) If the exercise of the Agency's right to offset under this provision requires the County to complete a re-budgeting process, nothing in this provision shall be construed to prevent the County from fully complying with its budgeting procedures and obligations, or from implementing decisions resulting from those procedures and obligations.
- (c) Nothing in this provision shall be construed as a requirement or agreement by the County to negotiate and execute any future Agreement with the Agency.
- (d) Nothing in this Agreement shall require County or Agency to act in violation of state or federal law or the Constitution of the State of Oregon.
- (e) Nothing in this Section 1.c shall be construed as a waiver by either party of any process or remedy that might otherwise be available.

(vi) **Modification of Award.** In the event of a modification in the amount of the Award pursuant to the terms of this Agreement, Agency shall provide written notice of such modification to County and provide County with a modified Award. After such notice, County shall not expend previously disbursed Award moneys in excess of the modified Award. County shall return any remaining disbursed funds in excess of the modified Award to the Agency within 90 calendar days of the noticed modification.

2. **County Representations.** County represents to Agency as follows:

If there are unresolved audit or other questions at the end of the three-year period, County shall retain the records until the questions are resolved.

c. Expenditure Records. County shall document and require all Providers by contract to document the expenditure of all financial assistance paid by Agency under this Agreement. Unless applicable federal law requires County or a Provider to utilize a different accounting system, County shall create and maintain and require all Providers by contract to create and maintain all expenditure records in accordance with generally accepted accounting principles and in sufficient detail to permit Agency to verify how the financial assistance paid by Agency under this Agreement was expended.

9. County Default. County shall be in default under this Agreement upon the occurrence of any of the following events:

a. County fails to perform, observe or discharge any of its covenants, agreements or obligations set forth herein, including but not limited to, County's failure to comply with the Plan;

b. Any representation, warranty or statement made by County herein or in any documents or reports relied upon by Agency to measure County performance hereunder, including without limitation, the conduct of Activities and or delivery of Services, the expenditure of financial assistance or the performance by County, is untrue in any material respect when made;

c. County (i) applies for or consents to the appointment of, or taking of possession by, a receiver, custodian, trustee, or liquidator of itself or all of its property, (ii) admits in writing its inability, or is generally unable, to pay its debts as they become due, (iii) makes a general assignment for the benefit of its creditors, (iv) is adjudicated a bankrupt or insolvent, (v) commences a voluntary case under the Federal Bankruptcy Code (as now or hereafter in effect), (vi) files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, (vii) fails to controvert in a timely and appropriate manner, or acquiesces in writing to, any petition filed against it in an involuntary case under the Bankruptcy Code, or (viii) takes any action for the purpose of effecting any of the foregoing; or

d. approving or ordering any of the foregoing is entered and continues unstayed and in effect for a period of sixty consecutive days, or an order for relief against County is entered in an involuntary case under the Federal Bankruptcy Code (as now or hereafter in effect).

10. Agency Default. Agency shall be in default under this Agreement upon the occurrence of any of the following events:

a. Agency fails to perform, observe or discharge any of its covenants, agreements, or obligations set forth herein; or

b. Any representation, warranty or statement made by Agency herein or in any documents or reports made in connection herewith reasonably relied upon by County to measure performance by Agency is untrue in any material respect when made.

11. Termination.

a. County Termination. County may terminate this Agreement in its entirety or may terminate its obligation to provide services under this Agreement as follows:

(i) At its sole discretion upon 60 days advance written notice to Agency, or

(ii) Upon 30 days advance written notice to Agency, if Agency is in default under this Agreement and such default remains uncured at the end of said 30 day period or such longer period, if any, as County may specify in the notice; or

(iii) Upon 45 days advance notice to Agency, if County does not obtain funding, appropriations and other expenditure authorizations from County's governing body, federal, state or other sources sufficient to permit County to satisfy its performance obligations under this Agreement, as determined by County in reasonable exercise of its administrative discretion; or

(iv) Immediately upon written notice to Agency, if Oregon statutes or federal laws, regulations or guidelines are modified, changed or interpreted by the Oregon Legislative Assembly, the federal government or a court in such a way that County no longer has the authority to meet its obligations under this Agreement.

b. Agency Termination. Agency may terminate this Agreement in its entirety or may terminate its obligation to provide financial assistance under this Agreement for a particular Funding Area described in the Award:

(i) Upon 60 days advance written notice to County, if Agency determines, in its sole discretion, to end all or any portion of the financial assistance to County under this Agreement; or

(ii) Upon 45 days advance notice to County, if Agency does not obtain funding, appropriations and other expenditure authorizations from federal, state or other sources sufficient to meet the payment obligations of Agency under this Agreement, as determined by Agency in the reasonable exercise of its administrative discretion. Notwithstanding the preceding sentence, the Agency may terminate immediately upon written notice to County or at such other times as it may determine if action by the federal government, the Oregon Legislative

Assembly or the Emergency Board reduces funding to be provided by Agency under this Agreement or the Agency's legislative authorization and the effective date for such reduction is less than 45 days from the date the action is taken.

- (iii) Immediately upon written notice to County if state or federal laws, regulations or guidelines are modified, changed or interpreted in such a way that the Agency does not have the authority to provide financial assistance for one or more Funding Areas or no longer has the authority to provide the financial assistance from the funding source it had planned to use.
- (iv) Upon 30 days advance written notice to County, if County is in default under this Agreement and such default remains uncured at the end of said 30 day period or such longer period, if any, as Agency may specify in the notice.
- (v) Immediately upon written notice to County, if any license or certificate required by law or regulation to be held by County or a Provider to conduct an Activity and or deliver a Service is for any reason denied, revoked, suspended, not renewed or changed in such a way that County or a Provider no longer meets requirements to conduct that Activity and or deliver the Service. This termination right may only be exercised with respect to the Funding Area impacted by loss of necessary licensure or certification.
- (vi) Immediately upon written notice to County, if Agency determines that County or any of its Providers have endangered or are endangering the health or safety of individuals.

12. Effect of Termination

a. Generally. If Agency disbursements of financial assistance under this Agreement for a particular Funding Area are reduced under Section 1(a) and 1(b)(i) of Exhibit E, or as a result of Agency's exercise of its rights under this Exhibit E, or as a result of an amendment to this Agreement reducing the amount of financial assistance awarded for that Funding Area, County is not required by this Agreement to utilize other County funds to replace the funds no longer received under this Agreement as a result of the disbursement reduction. Furthermore, County may, from and after the date of a disbursement reduction described in the preceding sentence, reduce or eliminate the quantity of Activities within that Funding Area commensurate with the size of the disbursement reduction for that Funding Area. Nothing in this Section 12(a) shall affect the County's obligations under this Agreement with respect to financial assistance actually received by County under this Agreement or with respect to Activities actually performed.

b. Entire Agreement. Upon termination of this Agreement in its entirety, Agency shall have no further obligation to pay or disburse financial assistance to County under this Agreement, whether or not Agency has paid or disbursed to County all financial assistance described in the Award. Notwithstanding the foregoing, Agency shall make payments to reimburse County for services provided prior to the effective date of termination where such services are authorized pursuant to this Agreement and are not disputed by Agency. County shall have no further obligation to perform activities or services under this Agreement after termination in its entirety except to provide information as required under this Agreement and to cooperate with Agency with respect to the enforcement of surviving rights and obligations under Subsection 12d.

c. **Award for Individual Funding Area.** Upon termination of Agency's obligation to provide financial assistance under this Agreement for a particular Funding Area, Agency shall have no further obligation to pay or disburse any financial assistance to County under this Agreement for that Funding Area, whether or not Agency has paid or disbursed to County all financial assistance described in the Award for that Funding Area. Notwithstanding the foregoing, Agency shall make payments to reimburse County for services provided prior to the effective date of termination where such services are authorized pursuant to this Agreement and are not disputed by Agency. County shall have no further obligation to perform services or activities under this Agreement within a particular Funding Area if Agency's obligation to provide financial assistance for that particular Funding Area has been terminated except to provide information as required under this Agreement and to cooperate with Agency with respect to the enforcement of surviving rights and obligations under Subsection 12d.

d. **Survival.** Termination of this Agreement shall not extinguish or prejudice Agency's right to enforce this Agreement in accordance with its terms with respect to financial assistance disbursed to County under this Agreement prior to the termination. Specifically, but without limiting the generality of the preceding sentence, termination of this Agreement shall not affect Agency's right to recover from County, in accordance with the terms of this Agreement, any financial assistance disbursed to County that is identified as an Underexpenditure or Misexpenditure. Termination of this Agreement, in whole or in part, shall not affect County's right to receive financial assistance to which it is entitled, as described above in Subsections a. through c. If a termination right set forth in this Exhibit E is exercised, both parties shall make reasonable good faith efforts to minimize unnecessary disruption or other problems associated with the termination.

13. **Modification of Award.** If the Oregon Legislative Assembly, Legislative Emergency Board or Oregon Department of Administrative Services increases or decreases the amount of money appropriated, authorized or allotted to Agency, Agency shall provide written notice of such a change to County. The parties shall negotiate an agreement to adjust County's levels of service in a commensurate amount and in proportion to the increase or decrease in the appropriation, authorization or allotment to the Agency. As appropriate, the parties shall execute an amendment to this Agreement reflecting the increase or decrease in the Award and adjustment in levels of service. Nothing in this section shall limit or restrict Agency's rights under this Agreement to suspend disbursement of financial assistance or to terminate this Agreement (or portion thereof as provided in this Exhibit E) as a result of a reduction in appropriations or allotments. This Section is not applicable to any funding change that requires a different or new service to be provided. Further, all parties agree that County may reduce, adjust or terminate levels of service commensurate with the amount of any reduction of money appropriated for implementation of the Plan, in accordance with Exhibit E, Section 1(b)(v) of this Agreement.

14. **Resolution of Disputes over Additional Financial Assistance Claimed by County.** If after termination of this Agreement, County believes that Agency disbursements of financial assistance under this Agreement for a particular Funding Area are less than the amount of financial assistance that Agency is obligated to provide to County under this Agreement for that Funding Area, as determined in accordance with applicable financial assistance calculation methodology, County shall provide Agency with written notice thereof. Agency shall have 90 calendar days from the effective date of County's notice to pay County in full or notify County that it wishes to engage in a dispute resolution process. If Agency notifies County that it wishes to engage in a dispute resolution process, County and Agency's Assistant Administrator shall engage in non-binding discussion to give Agency an opportunity to present reasons why it believes that it does not owe County any additional financial assistance or that the amount owed is different than the amount identified by County in its notices, and to give County the opportunity to reconsider its notice. If Agency and County reach agreement on the additional amount owed to County, Agency shall promptly pay that amount to County. If Agency and County continue to disagree as to the amount owed, the parties may agree to consider further appropriate dispute resolution processes,

including, subject to Department of Justice and County Counsel approval, binding arbitration. Nothing in this Section shall preclude the County from raising underpayment concerns at any time prior to termination of this Agreement under Section 15 below.

15. Resolution of Disputes, Generally. In addition to other processes to resolve disputes provided in this Exhibit, either party may notify the other party that it wishes to engage in a dispute resolution process. Upon such notification, the parties shall engage in non-binding discussion to resolve the dispute. If the parties do not reach agreement as a result of non-binding discussion, the parties may agree to consider further appropriate dispute resolution processes, including, subject to Department of Justice and County Counsel approval, binding arbitration. The rights and remedies set forth in this Agreement are not intended to be exhaustive and the exercise by either party of any right or remedy does not preclude the exercise of any other rights or remedies available under this Agreement or otherwise available at law or in equity.

III. REQUIRED FEDERAL TERMS AND CONDITIONS. In addition to the Required Federal Terms and Conditions of Exhibit G, County shall comply and, as indicated, require all Providers by contract to comply with the following federal requirements:

1. HIPAA Compliance. If the Activities and or Services funded in whole or in part with financial assistance provided under this Agreement are covered by the Health Insurance Portability and Accountability Act or the federal regulations implementing the Act (collectively referred to as HIPAA) and County has declare itself a "covered entity" under HIPAA, County agrees to conduct the Activities and or Services in compliance with HIPAA. Without limiting the generality of the foregoing, if the Services are covered by HIPAA, County shall comply and require all Providers to comply with the following:

a. Privacy and Security of Individually Identifiable Health Information. On or after April 14, 2003, County, its agents, employees and Providers shall protect individually identifiable health information obtained or maintained about Agency's clients from unauthorized use or disclosure, consistent with the requirements of HIPAA. The County shall ensure that any electronic communication from the County to an employee of the Agency which contains individually identifiable health information shall meet HIPAA security requirements. This Agreement may be amended to include additional terms and conditions related to the privacy and security of individually identifiable health information.

b. Data Transactions Systems. Any electronic exchange of information on or after October 16, 2002, or on or after October 16, 2003, if County has received an extension from the United States Department of Health and Human Services, between County and Agency to carry out financial or administrative activities related to individually identifiable health care services will be in compliance with HIPAA standards for electronic transactions published in 65 Fed. Reg. 50312 (August 17, 2000). This Agreement may be amended to include additional terms and conditions related to data transactions.

c. Consultation. If County reasonably believes that the County's or the Agency's data transactions system or other application of HIPAA privacy or security compliance policy may result in a violation of HIPAA requirements, County shall promptly consult Agency's HIPAA Privacy Officer.

2. Federal Fund Accountability and Transparency Act. County shall require by contract that all Providers receiving federal funding with a total value of \$25,000 or more under this Agreement have a Data Universal Numbering System (DUNS) number and register in the Central Contractor Registration (CCR) system. County may not sub-grant Award funds of \$25,000 or more to a Provider unless the Provider has a DUNS number and is registered in the Central Contractor Registration system.

IV. JUVENILE CRIME PREVENTION PROGRAM REQUIREMENTS.

1. Plan.

a. Plan Implementation.

County shall implement, or through Providers, shall require to be implemented, the JCP Prevention and JCP Basic Services portions of the Plan. The County has developed or

agrees to develop the JCP Prevention, JCP Basic and Diversion Services portions of the Plan according to guidelines provided by the State.

b. Amendment to Plan.

County may request amendment of the Plan by notifying OCCF in writing thirty (30) days prior to the submission of such proposed amendment. All amendments to the Plan shall be in a format prescribed by OCCF. County must obtain approvals for an amendment that makes any significant change in the Plan. A significant change in the Plan includes but is not limited to any funding change in the categories of services outlined in the Plan. For the purposes of this Section 1.b, Juvenile Crime Prevention Services, Basic Services, and Diversion Services are deemed separate funding sources. County shall follow the following requirements if it desires to change the Plan:

- (i) The Plan cannot be amended to change allocations between Juvenile Crime Prevention Services and Basic Services/Diversion Services.
- (ii) Changes to the Plan budget aggregating 10% or greater of the total budget for any of the funding sources must be reviewed and approved by the JCPAC prior to the changes taking effect.
- (iii) County shall submit written notification to OCCF for any changes to the Plan budget aggregating less than 10% of the total budget for any of the funding sources. This notification will be reviewed by OCCF. The State reserves the right to require that the County notification be reviewed by the JCPAC for approval prior to the changes taking effect.
- (iv) All amendments to the Plan which comply with this Section shall be on file with OCCF and shall become a part of the Plan and this Agreement from its effective date without the necessity of executing a formal amendment to this Agreement. For purposes of this Section, the effective date of a Plan amendment is the date the Plan amendment is approved or notification is received by the Agency.
- (v) In the event Agency increases or decreases the amount of funding in this Agreement pursuant to Exhibit E in an amount aggregating 10% or greater of the total budget for JCP Prevention Services, County may amend the Plan in response to the funding change, but only in a manner that is consistent with state law and rules. Such Plan amendment shall be effective no sooner than the effective date of the funding change. No later than five (5) days from its effective date, County must send any Plan amendment to OCCF, who must review the amendment within thirty (30) days of its effective date. The Plan must be approved as presented or as agreed upon by the parties no later than sixty (60) days from the effective date.

2. Cultural Competency. County shall deliver all Services and require all Providers to deliver Services in a culturally competent and gender appropriate manner.

3. Grievance System. During the term of this Agreement, County shall establish and operate a system through which youths receiving Services, and the youths' parents or guardian

may present grievances about the delivery of the Services. At the time arrangements are made for delivery of Services to a particular youth, County shall advise the youth and the parents for guardian of the youth of the existence of this grievance system.

4. Outcomes. County shall target its Juvenile Crime Prevention Services to the Target Population for Juvenile Crime Prevention and shall implement those services with the goal of achieving the following high level outcomes: (i) reduction of juvenile arrest rate in County, (ii) reduction of juvenile recidivism rate in County, and (iii) reduction (or maintenance) in the use of beds at OYA's Close Custody Facilities by youth from County to (or at) a level at or below Discretionary Bed Allocation. The specific targets for high level outcomes are set forth in the Plan. County shall also implement its Juvenile Crime Prevention Services and Basic Services with the goal of achieving the intermediate outcomes identified in the Plan.

5. Evaluation

a. County shall furnish OCCF with such data, information and reports, on County's implementation of the Juvenile Crime Prevention Services and expenditure of the funds therefore paid to County hereunder, in such format and at such frequency as may be reasonably requested by OCCF or as needed to comply with state or federal laws, regulations, or executive orders. County agrees to and does hereby grant the State the right to reproduce, use and disclose all or any part of such data, information or reports furnished under this Agreement.

b. County agrees to produce screening and assessment data as required by the JCPAC to the State in such form and at such times as the State may reasonably request.

c. In addition to the other reporting requirements of this Agreement, the County must ensure that all OYA required JJIS data fields are entered into JJIS.

d. If the County does not meet the intermediate outcomes identified in the Plan for Juvenile Crime Prevention Services, OCCF shall conduct a performance review of the County's efforts under the Plan in order to identify ways in which the Juvenile Crime Prevention Services portion of the Plan may be improved. If, upon review, the OCCF determines that there are reasonable grounds to believe that County is not in substantial compliance with the Plan or this Agreement, OCCF or the JCPAC, at OCCF's direction, may notify County regarding the alleged noncompliance and offer technical assistance, which may include peer review or other assistance, to reach such compliance. Nothing in this Section shall be construed to limit or restrict any OCCF right arising out of County's default, as described in Exhibit E.

6. Evidence-Based Programs. County shall work with OCCF to develop a process to ensure that programs and services funded under this Agreement are appropriate and workable and meet the guidelines of evidence-based programs and cost effectiveness as described under SB 267 (2003), ORS 182.515, as applicable. County shall work with OCCF to develop a reporting process on County's evidence-based programs and services funded under this Agreement.

7. Records Maintenance, Access and Confidentiality. County shall maintain and shall require all Providers by contract to maintain a Client record for each youth that receives a Service.
