I. **MOTION**

THAT THE ATTACHED BOARD ORDER BE ADOPTED AWARDED REQUIREMENTS CONTRACTS TO VARIOUS CONTRACTORS FOR THE RENTAL OF HEAVY EQUIPMENT TO SUPPLEMENT COUNTY RESOURCES FOR ONGOING OPERATIONS AND DURING EMERGENCIES CAUSED BY FLOODS, WINDSTORMS AND OTHER DISASTERS DURING THE PERIOD OF JULY 1, 2011 TO JUNE 30, 2012, CONTRACT NO. RM 11/12-01.

II. **DISCUSSION**

A. **Background / Analysis**

Over the past thirteen years, Lane County has experienced three major windstorms, three major floods and two major winter storms. Prior to April 1997, these disasters required the Department of Public Works to solicit quotes for additional equipment, including dump trucks, excavators, loaders, dozers and graders in order to meet the needs of repairing the road system and serving the citizens of the County.

The Department of Public Works also has occasional needs for additional or specialized equipment to meet ongoing operational needs in maintaining roads and bridges and construction activities for other County Departments. Truck cranes, rollers, dozers, scrapers and utility locate equipment have been rented from equipment vendors or contractors on a

regular basis.

In 1997, the County began soliciting bids for rental of heavy equipment and entered into requirements contracts with all responsive bidders in March of that year. Requirements contract have been awarded since July 1, 1998 with the current contract expiring on June 30, 2011.

Bids were opened on April 12, 2011 and twelve (12) bidders responded to the request for bids.

Upon approval of the Board, it is the intention of the Department to enter into requirements contracts with all responsive bidders.

Sufficient funds are available in the FY 11/12 budget to cover emergency road repair work.

III. TIMING/IMPLEMENTATION

Action today will allow the County Administrator to sign the requirements contracts with the twelve (12) responsive bidders for the equipment listed in the bid recap as stipulated by the specifications of Contract No. RM 11/12-01.

IV. RECOMMENDATION

It is recommended that the Board authorize the County Administrator to sign the requirements contracts with various bidders.
