BETWEEN LANE COUNTY AND THE CITIES OF EUGENE AND

SPRINGFIELD.

MOTION

TO ACCEPT REVENUES IN THE AMOUNT OF \$1,675,245 FROM THE CITIES OF EUGENE AND SPRINGFIELD, AND TO APPROVE THE INTERGOVERNMENTAL AGREEMENT BETWEEN LANE COUNTY AND THE CITIES OF EUGENE AND SPRINGFIELD.

11. **ISSUE OR PROBLEM**

Funding social services throughout Lane County requires accepting contributions from the Cities of Eugene and Springfield. The attached Board Order allows Lane County to share the burden of providing some of its low-income citizens with assistance to meet their most basic needs.

III. DISCUSSION

Α. **Background**

Through the Lane County Department of Health & Human Services (H&HS), local government provides a comprehensive and coordinated social service delivery system through contracted services. Through coordination, federal, state, and local resources become accessible to local service agencies. The management of the Human Services Commission Program provided by H&HS ensures an open, competitive process for allocating the funds to social service agencies in the community.

The Human Services Commission Program provides a means by which the cities of Eugene and Springfield participate in funding social service activities in cooperation with Lane County. This approach has allowed participating governments to avoid creating duplicate contracting systems for social services and provides for coordinated planning, monitoring, and evaluation of social service activities.

The Human Services Commission recommends the services to be funded for two years beginning July 1, 2003 and ending June 30, 2005. Notice of available funding for FY 03-05 biennium was published in <u>The Register Guard</u> in May and June 2003. The Request for Proposals (RFP) process has been completed. The organizations listed in Attachment B were selected as a result of the RFP process. Attachment B represents funding for FY 2003/2004 and FY 2004/2005.

B. Analysis

The Department of Health & Human Services is responsible for the management and coordination of a variety of social service activities through the combined Human Services Commission Program. The allocation plan for the program is funded with federal, state, and local social service revenues contributed by each jurisdiction.

C. Alternatives / Options

- 1. To accept revenues in the amount of \$1,675,245 from the Cities of Eugene and Springfield; to approve an Intergovernmental Agreement between Lane County and the Cities of Eugene and Springfield; and to delegate authority to the County Administrator to sign the Intergovernmental Agreement and the subsequent two-year subcontracts.
- 2. If the Board chooses to not accept the revenues from the Cities of Eugene and Springfield, services paid for with the revenues, provided for low income families in our community would cease to exist.

D. Recommendation

To accept item one above.

E. <u>Timing</u>

Upon approval, the Intergovernmental Agreement and subcontracts will be completed and forwarded for signature.

IV. IMPLEMENTATION

Upon the Board Order being signed, the Intergovernmental Agreement will be forwarded for signature, and the subcontracts will be completed and forwarded for signature.

EXHIBIT -E CITY OF EUGENE COMMUNITY DEVELOPMENT BLOCK GRANT AGREEMENT REGULATIONS AND REQUIREMENTS

County shall provide a process for allocating federal Housing and Community Development Block Grant (CDBG) funds to operate social service agencies serving very low-income and low-income persons in the city of Eugene. County shall, through their Human Services Commission (HSC) process, select agencies appropriate for funding. County Department of Health and Human Services (H&HS) shall provide ongoing administration and implementation of contracts with agencies for services at no charge to CDBG from July 1, 2003 through June 30, 2004. H&HS shall manage contracts, monitor, evaluate, and pay agencies directly for public services. Based on the terms and conditions set forth herein and in the following exhibit:

Exhibit – E-1 Client/Household Data Sheet

- County shall select agencies for funding with CDBG funds that either: 1) provide a new service or demonstrate a quantifiable increase in the service level provided in the prior twelve (12) months. This increase must be demonstrated using quantifiable "units of measure"; for example, "meals provided" or "nights of shelter". Once an agency has met one of these tests, the agency can continue to receive subsequent CDBG funding.
- 2. City shall review agency/County contracts, including but not limited to, agency Program Agreements (scope of work) and CDBG budgets, and shall verify CDBG eligibility of HSC selected agencies prior to County entering into contracts for CDBG funds.
- 3. County shall ensure that all contracts between County and CDBG funded agencies shall include a description/scope of work to be performed, a schedule for completing the work, and a budget. Contracts shall provide a separate description/scope (service indicators) and budget for services provided with CDBG funds. County shall ensure that items shall be in sufficient detail to provide a sound basis to effectively monitor performance under this contract.
- County shall ensure that all services provided by CDBG funds must either serve Eugene residents of very low or low-income directly or serve an area where at least 51% of the residents are very low or lowincome.

County shall direct agencies providing direct services to determine eligibility of clients/households according to the following HUD 2003 Family Income Guidelines for Eugene, Oregon.

	30%	50%	80%
HOUSEHOLD SIZE	EXTREMELY LOW INCOME	VERY LOW INCOME	LOW INCOME
1	\$10,700	\$17,800	\$28,500

7	\$18,950	\$31,550	\$50,500
8	\$20,150	\$33,600	\$53,750

County shall select agencies providing "area" benefits in areas where at least 51% of all residents in their service area are very low or low-income persons according to the latest census information.
