

Memorandum Date: January 29, 2004
Order Date: February 11, 2004

W.H.a.

TO: Board of County Commissioners

DEPARTMENT: Children and Families

PRESENTED BY: Alicia Hays, Department Director

AGENDA ITEM TITLE: ORDER AND RESOLUTION IN THE MATTER OF APPOINTING CRYSTAL ARGETSINGER, AMANDA LAYTON, AND TRICIA LYNCH AND REAPPOINTING ELAINE WALTERS AND BRUCE ABEL TO THE LANE COUNTY COMMISSION ON CHILDREN AND FAMILIES

I. PROPOSED MOTION

MOVE APPROVAL OF THE ORDER AND RESOLUTION IN THE MATTER OF APPOINTING CRYSTAL ARGETSINGER, AMANDA LAYTON, AND TRICIA LYNCH AND REAPPOINTING ELAINE WALTERS AND BRUCE ABEL TO THE LANE COUNTY COMMISSION ON CHILDREN AND FAMILIES.

II. ISSUE OR PROBLEM

The Lane County Board of Commissioners has the appointing authority for membership on advisory boards and commissions pursuant to the Lane Manual and to HB 2004, and therefore approves recommendations for appointment to the Lane County Commission on Children and Families.

III. DISCUSSION

A. Background/Analysis

In 1993, the State Legislature adopted HB 2004 and directed the creation of local Commissions on Children and Families in all 36 counties throughout the state, charging the commissions with responsibility for system-wide strategic planning and implementation of a wellness model for children and families.

In January 1994, the Lane County Board of Commissioners (BCC) appointed 15 members to the Lane County Commission on Children and Families (LCCCF.) In accordance with HB 2004, terms were to be four years in length and staggered. In March 1997 and November 2001, the LCCCF adopted bylaws (approved by the BCC) that created, respectively, two additional youth positions in March and one additional youth position in November. With the addition of these three positions the Commission currently has 18 members. The bylaws define membership as two (2) County Commissioners, one from a rural and one from a metro district; three (3) youth representatives (between the ages of 15 and 20 at the time of appointment); two (2) rural representatives; and eleven (11) at large members.

Pursuant to HB 2004, a majority of members, plus the chair of local commissions, must be laypersons. LCCCF must have a minimum of ten (10) laypersons and up to eight (8) professional members.

The Membership Committee posted the youth vacancies asking for interested parties to apply. Six applications were received during this process, and the applicants were interviewed December 18-19, 2003.

On January 21, 2004 the Membership Committee recommended to the LCCCF to appoint Crystal Argetsinger, Amanda Layton, and Tricia Lynch and reappoint Elaine Walters and Bruce Abel to the LCCCF. The Commission voted on the committee's recommendation unanimously.

The recommended candidates are listed below, followed by the expired or resigned position they will be filling, and the expiration date of their term.

Attachment A: Recommended Applicants for Appointment to the LCCCF.

B. Alternatives/Options

I. Adopt the Order and Resolution to appoint Crystal Argetsinger, Amanda Layton, Tricia Lynch and reappointing Elaine Walters and Bruce Abel to the Lane County Commission on Children and Families.

II. Reject the Order and Resolution, do not appoint members to the Lane County Commission on Children and Families, and direct staff and the LCCCF on how to proceed.

C. Recommendation

III. **Option I:** Adopt the Order and Resolution to appoint Crystal Argetsinger, Amanda Layton, Tricia Lynch and reappointing Elaine Walters and Bruce Abel to the Lane County Commission on Children and Families.

Upon approval of the Order and Resolution, the new members will be informed of their appointment. A brief welcome/orientation meeting will be held in February 2004, and the new members will attend there first LCCCF meeting on February 18, 2004. An intensive orientation and training for new members will be scheduled at that meeting and will be held shortly thereafter.

1. Give a brief description of the experience or training that qualifies you for membership on this advisory committee. (If you wish, you may attach a resume or other pertinent material).

I have worked actively to improve the health and safety of children and families in Lane County for over 15 years. I am currently involved with a number of community groups and organizations with direct ties to the work of the CCF. I am trained as a facilitator and mediator, have good listening and communication skills, am honest and ethical, and have a solid understanding of many of the challenges facing both rural and urban Lane County families.

2. Why do you want to become a member of this committee, and what specific contributions do you hope to make:

I have a long-standing interest in the development of both a comprehensive system of care and healthy norms in order to improve and sustain a healthy quality of life for children and families in Lane County. I see our community and CCF at an important juncture in these two areas and believe I have the skills and energy to assist in the process of moving us forward. I also bring an expertise in the area of domestic violence and family violence and would work to ensure the CCF's continued commitment to addressing these issues.

3. List the community concerns related to this committee that you would like to see addressed if you are appointed.

a) the lack of involvement of youth, parents, and family members in planning, decision making and evaluation of programs and services, b) the fragmented response system for families in crisis or with serious needs, c) the differential (and sometimes mutually exclusive and detrimental) approaches and philosophies of our services and programs, d) the lack of healthy norms for interdependence (vs. self-sufficiency) and support for community involvement, and e) our own self-care and developmental needs as a community of concerned citizens and providers.

4. Briefly describe your present or past involvement in relevant community groups. (Having no previous involvement will not disqualify you for appointment.)

(Please see attached Professional Vitae)

5. Lane County is committed to reflecting diverse cultures on its boards/committees and does not discriminate against any person on the basis of gender, race, color, national origin, religion, disability, or age in employment or in admission, treatment, or participation in its programs, services, and activities.

6. Are you currently serving on any Advisory Boards or Committees? If so, which ones?

Yes, I currently serve on the Nominating and Children and Family Violence Committees of the Domestic Violence Council, and on the Governor's Council on Domestic Violence.
