

W-9.D.1.

AGENDA COVER MEMO

DATE: June 16, 2004

TO: Lane County Board of Commissioners

PRESENTED BY: Sonny P.A. Chickering, County Engineer

**AGENDA ITEM
TITLE:** IN THE MATTER OF AWARDING A CONTRACT FOR BASE
ROCK PRODUCTION, VARIOUS STOCKPILE SITES,
PROSPECTIVE CONTRACT NO. 03/04-13, TO FISHER LAND
COMPANY, DBA OAKRIDGE SAND & GRAVEL, INC., IN THE
AMOUNT OF \$56,080.00

I. MOTION

THAT THE ATTACHED BOARD ORDER BE ADOPTED TO AWARD THE CONTRACT FOR BASE ROCK PRODUCTION, VARIOUS STOCKPILE SITES, TO FISHER LAND COMPANY, DBA OAKRIDGE SAND & GRAVEL, INC., IN THE AMOUNT OF \$56,080.00; DIRECT THAT THE CONTRACT BE EXECUTED IN ACCORDANCE WITH THE BID SPECIFICATIONS; AUTHORIZE THE COUNTY ADMINISTRATOR TO SIGN THE CONTRACT; AND REQUIRE THE CONTRACTOR TO PRESENT A PERFORMANCE BOND AND PAYMENT BOND IN THE FULL AMOUNT OF THE CONTRACT.

II. ISSUE OR PROBLEM

Should the Board award a contract to Fisher Land Company, dba Oakridge Sand & Gravel, Inc., for furnishing, hauling, and stockpiling rock aggregate at various sites throughout the County.

III. DISCUSSION

A. Background.

Through approval of the fiscal year 2003-2004 Lane County Budget, the Board has authorized funding to obtain rock for use in road maintenance activities.

B. Analysis.

This contract provides for furnishing, hauling, and stockpiling 4,600 tons of 3/4"-0" base aggregate at various stockpile sites throughout the County. Locating the rock in several locations reduces the expense of transporting material long distances to work sites. Stockpile sites ensure that the appropriate materials are available when needed.

C. Alternatives / Options.

The rock aggregate could be purchased on an as-needed basis. However, using a private contractor to haul rock to stockpile sites early in the year makes for a more efficient operation. During the summer, trucking is at a premium, and private haulers may not be available. Using County forces to haul rock long distances to project sites slows work. The proposed stockpiling acquisition method is more cost effective.

D. Recommendation.

Award this contract to the low qualified bidder.

II. IMPLEMENTATION / FOLLOW-UP

Upon approval by the Board, this contract will be processed and all required security bonds would be obtained.
