1. Give a brief description of the experience or training that qualifies you for membership on this advisory committee (If you wish, you may attach a resume or other pertinent material.)  
I am a certified Master Recycler in Lane County. I'm a college graduate with a full time job, in my 20's, and I have a passion for waste reduction!
2. Why do you want to become a member of this committee, and what specific contributions do you hope to make?  
I am enthusiastic about waste reduction and I would like to make a difference. My contributions would involve composting and waste reduction in businesses.

I volunteer at the Mande Kerns art center - helping them organize and get information to the community about scholarships and art classes for children.
