AGENDA COVER MEMO

AGENDA DATE: August 29, 2007

TO: Board of County Commissioners

DEPARTMENT: Health & Human Services

PRESENTED BY: Rob Rockstroh

AGENDA TITLE: DISCUSSION & ACTION / IN THE MATTER OF APPOINTING TWO MEMBERS TO FILL VACANCIES ON THE MENTAL HEALTH ADVISORY COMMITTEE/LOCAL ALCOHOL AND DRUG PLANNING COMMITTEE.

I. MOTION

Discussion & Action / In The Matter Of Appointing Two Members To Fill Vacancies On The Mental Health Advisory Committee/Local Alcohol And Drug Planning Committee.

A. COMMITTEE RECOMMENDATIONS: TERM EXPIRES:

Larry Sullivan 05-31-2011

Mary Ann Holser 05-31-2011

B. MEMBERSHIP

TOTAL MEMBERSHIP: 12

APPLICATIONS SUBMITTED: 3

ADVERTISING PERIOD: March 14, 2007 to April 13, 2007
May 11, 2007 to June 15, 2007

TERM: Four (4) YEARS

REPRESENTATIVE GROUPS MANDATED: X YES NO

STAFF LIAISON: Rob Rockstroh, H&HS Administration, x4035

COMMITTEE CHARGE:

To advise the Board of County Commissioners and the Department of Health & Human Services on matters relating to mental health, addiction disorders, and developmental disabilities in Lane County by reviewing major policies of these health and human services programs, and making recommendations to the director and the Board of County Commissioners. The committee also assists in identifying needs, priorities and reviews the county's biennial Mental Health & Addictions Implementation Plan.

The committee's recommendations for appointment are based on individual expertise and knowledge in the various categories necessary to complete requirements of the committee. Also, appointment recommendations are made with an eye toward meeting the needs of representation not already present on the committee.

It is important to have a diverse and well-informed committee. Expertise and knowledge in mental health, both child and adult, addiction, developmental disabilities, prevention and treatment is necessary to ensure adequate representation for the comprehensive focus of this committee.

The geographical diversity of the applicants is considered to ensure all commissioner districts are represented.

C. BACKGROUND / ANALYSIS

Due to the term expirations of Debra Depew and the resignation of Cheryl Rade, MHAC/LADPC vacancies were advertised from March 14, 2007 to April 13, 2007 and from May 11, 2007 to June 15, 2007.

At the close of the advertisement period, five completed applications were on file in the office of county administration. An interview panel comprised of current MHAC/LADPC members reviewed the five applications and conducted interviews. Four applicants were interviewed on July 24, 2007. Prior to the interview, the fifth applicant requested that her name be withdrawn from consideration. After the interviews, another candidate requested that his name be withdrawn citing "family changes".

Therefore, of the three remaining applicants the following recommendations have been made:

D. RECOMMENDATION

<u>Committee</u> <u>Recommendations</u>	<u>Expiration Date</u>	<u>Term</u>	<u>Commissioner</u>
Larry Sullivan	05-31-2011	First	Dwyer
Mary Ann Holser	05-31-2011	First	Sorenson

Subject: Re: MHAC Interview

Mr. Rockstroh,

Having heard nothing from your search committee since my interview, one might assume that one did not make the cut.

Nonetheless, due to family changes, I have chosen to withdraw my name from competition for one of the two "juvenile specialty" positions.

I hope you find who your looking for.

Thank you for the administrative and office employee time used in my regard.

Staff Michelle Ames was helpful and humorous in making me feel comfortable.

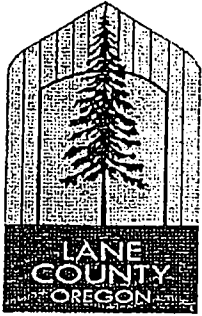

Dan Dubach.

** Unless waived by the Board.*

April 22, 2007

Lane County Advisory Committee Application – Larry D. Sullivan, Ph.D.
Mental Health Advisory Committee

1) Resume and Background Information

2) The mental health needs of children and families in the state of Oregon are not being met. An increasing number of families, including a disproportionate number of children with severe mental health needs and disabilities, have significant social and emotional barriers to learning and development. Our school districts and mental health agencies struggle to integrate and coordinate services to effectively provide both prevention and intervention mental health services for children and families. Diminished funding makes it very difficult for our community and agencies to create safe and supportive home environments, and provide comprehensive services for families. As a member of the Mental Health Advisory Committee, I would bring a school district's special education perspective and an extensive background in as a mental health and school psychologist practitioner.

3) Our community must address the issue of more adequately serving the emerging mental health needs of younger children, adolescents and families, and specific underserved groups, i.e., individuals on the autism spectrum. In addition, the continued substance abuse crisis and the effects of poverty and family discord, require agencies and school to re-think the restructure mental health services and family supports.

4) Background Information

5) I recently completed attended a course entitled "Discrimination and the Oregon Educator." Although I have worked in large urban school districts, lived in vary diverse communities, and advocated for children with disabilities and their families, I was surprised, after reflection and activities in the course, that I have less of an understanding and need some work to really be more culturally competent. If selected, I would contribute my knowledge, advocacy, and continued reflection and personal growth to help ensure that our efforts to address discrimination and diversity are foreground in the committee's work.

6) I am currently serving on the Oregon Department of Education's Special Education Advisory Committee, Urban Schools Special Education Directors Group, and the Oregon School Psychologist Association Executive Committee.

7-9) Answered on Application Form

April 2007

Background Information: Larry D. Sullivan, Ph.D.

I am the Director of Educational Support Services in the Eugene School District 4J. The District has 18,000 students with approximately 2,500 students with disabilities. The Educational Support Services Department has 290 FTE employees and an annual budget of \$28.0 million. The Eugene School District is widely known for innovative programming, especially in the area of Autism Spectrum Disorders, and services to meet the instructional needs of a diverse and growing student population. I have had extensive experience in special education litigation, including due process and complaint cases, and I have worked to collaborate with community partners – University of Oregon, mental health services, and disability stakeholder groups, for example, Lane County Autism Society. I am actively involved in District leadership activities, including the Instructional Leadership Team, Strategic Planning Committee, and the District's collective bargaining team. I continue to participate as a member of the Oregon Department of Education's Special Education Advisory Committee, Urban School SPED Directors Group, and the Oregon School Psychologist Association Executive Committee.

I was previously the assistant superintendent for curriculum, instruction and pupil services in the Plain Local Schools in Canton, Ohio. The 430 teachers and staff provide a highly recognized academic program for 6,400. In my three years as assistant superintendent, I continued to build on the successful instructional and program reforms in the district, as well as, developing and implementing an effective model for instruction and learning and parent/community engagement for our lowest achieving schools. I took a leadership role in making significant changes to the district's assessments and grading procedures. I also coordinated a district-wide effort to restructure our pupil services and special education programs.

I held the position of Director of the Safe Schools/Healthy Students Action Center. The Action Center was funded (3 year/9 million) by the U.S. Departments of Health and Human Services, Education and Justice, and operated by the National Mental Health Association and the National Association of School Psychologists. The goal of the Action Center was to provide consultation-based technical assistance to the Safe Schools/Healthy Students and School Action grantees as part of the Federal School Violence Initiative. These TA services helped over 100 sites across the country to develop, implement and sustain evidence-based programs and comprehensive services for children, youth, families and communities.

I was previously the Assistant Executive Director for the National Association of School Psychologists. This position was responsible for program development and oversight of the following programs: government and professional relations including public policy, public information, professional standards, and communications. I took a leadership role in NASP's efforts to advocate for and reauthorize legislation that supported children with

disabilities, preK-16 education, and mental health services. I also represented NASP's legislative and professional practice agenda through participation in various national consortiums and committees.

Prior to relocating in the Washington, D.C. area, I was the project director for both the Columbus Public Schools and Baltimore City Public Schools Urban Systemic Initiatives. These grants were funded by the National Science Foundation (5 year/15 million) with the goal of making changes to mathematics and science instruction and the utilization of technology in large urban districts.

In the area of school psychology, in addition to being a practitioner for over twelve years, I was a member of the graduate faculty at the University of Dayton, teaching courses in School Psychology and Counselor Education Programs, and I was the supervisor of Psychological Services for the Columbus Public Schools. The supervisor position responsibilities included the administration of comprehensive school-based psychological and mental health services. My research interests are in the areas of professional development in teaching and learning, performance assessments, and program evaluation.

November, 1998.

Lane County
CITIZEN ADVISORY COMMITTEE
APPLICATION

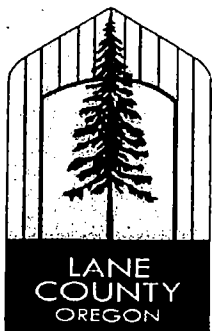

RECEIVED

Page 1 of 2

JUN 07 2007

APPLICANT'S NAME AND CITY: Mary Ann Holser	LANE COUNTY BOARD OF COMMISSIONERS DATE 5/31/2007
NAME OF ADVISORY COMMITTEE: MENTAL HEALTH ADVISORY COMMITTEE	PLEASE CHECK ONE: <input checked="" type="checkbox"/> New Applicant <input type="checkbox"/> Application for Reappointment

1. Give a brief description of the experience or training that qualifies you for membership on this advisory committee (If you wish, you may attach a resume or other pertinent material.)
I am a retired health policy professor with an MSW, MPA and PhD with a background in psychiatric social work, Agency administration, and direct service to mental health and alcohol and drug clients over the past 50 years, including work with spanish speaking clients for LULAC, the League of Latin American Citizens.
2. Why do you want to become a member of this committee, and what specific contributions do you hope to make?
I care about people who struggle with mental health problems both professionally and personally as I have close family members that I love, who live with mental health problems. Additionally, I have a long professional and personal experience with the history and present systems of mental health care for our populations.
3. List the community concerns related to this committee that you would like to see addressed if you are appointed.
As a policy person as well as a family member I would like to see an improved and comprehensive system of prevention activities, acute safe crisis care, appropriate residential care, outpatient care and support and improved development of client involvement in their own care. Further research and work on the use of psychotropic drugs, which can be of great benefit, but also pose risks, is a goal I support. In Lane County, I feel that our ability to deal with our population who have mental health problems has been degraded by putting it into individual insurance plans, underfunded in many cases. Our former county mental health system was better able to meet the needs. The need for hospitalization for safety (rather than the jail, where the acutely psychotic are often hospitalized) has gone away. We need to restore our psychiatric center and greatly improve follow-up and aftercare for both alcohol and drug and psychiatric clients. With my long experience with alcohol and drug treatment, I know we need continued A and D services associated with the criminal justice system, that will work to keep A and D offenders sanctioned long enough to recover.
4. Briefly describe your present or past involvement in relevant community groups. (Having no previous involvement will not disqualify you for appointment.)
I have held offices in the Democratic Party of Oregon and the Democratic Party of Lane County; served on the Advisory Board of the American Nobel Laureate Project., was docent at the Schnitzer Museum of Art and currently a gallery guide at the Jacobs Gallery. I participated in a Diversity group of the Eugene City Club, and was an advocate and supporter of Health Care for All Oregon, (a universal health care ballot measure for Oregon), as well as an active member of, The League of Women Voters. I am a member of United University Professors, American Federation of Teachers, and was active in Fair Housing rights and Farm workers Union struggle in California. A complete resume is attached.
5. Lane County is committed to reflecting diverse cultures on its boards/committees and does not discriminate against any person on the basis of gender, race, color, national origin, religion, disability, or age in employment or in admission, treatment, or participation in its programs, services, and activities. If selected, how would you contribute to this effort?
I have worked for Black and Latino organizations and been supervised by minority these communities. I speak spanish and majored in Latin American studies at one time. My support and concern for diversity is driven by my understanding of what those of differing cultures bring to all of us. Having lived and worked in different cultures and countries has contributed to these beliefs.

Lane County
**CITIZEN ADVISORY COMMITTEE
APPLICATION**

Page 2 of 2

6. Are you currently serving on any Advisory Boards or Committees? If so, which ones?
Although I currently serve on the Lane county Budget Committee my term expires in December 31, 07 and I do not plan to ask for reappointment. I would like to continue to serve Lane County on the Mental Health Advisory Committee, where I feel I can best use my skills and experience in county service as well as my professional background.
7. Are you employed by, have any business, contractual arrangements or family connections with programs having contractual agreements with the County or that might be within the purview of the committee on which you are seeking appointment? (If there is a change in your circumstances, please advise the staff for the committee within 30 days.)
☒ No ☐ Yes Specify:
8. How did you learn about this vacancy? ☐ Newspaper ☐ Word of mouth ☒ Other: Pete Sorenson
9. In which County Commissioner District do you reside? please check one:
☐ Unsure ☐ West Lane County ☐ Springfield ☒ South Eugene ☐ North Eugene ☐ East Lane County

**The Board of Commissioners has adopted the following policy on reappointments:*

a. Members of County advisory groups will serve a maximum of two consecutive terms when term lengths are three or more years in length.

b. The deadline for incumbent applications will be the same as the deadline for new applications.

EDUCATION

Doctor of Philosophy, Community Health Education, (supporting area: health policy and administration), School of Human Development and Performance, University of Oregon, Eugene, Oregon

Master of Public Administration emphasis on Health Policy, John F. Kennedy School of Government, Harvard University, Cambridge, Massachusetts.

Postgraduate Studies, Organizational Development and Personnel Management, School of Public Administration, University of New Mexico, Albuquerque, New Mexico

Master of Social Work, Group Work, School of Social Administration, The Ohio State University, Columbus, Ohio.

Bachelor of Arts, Latin American Studies, University of Michigan, Ann Arbor, Michigan.

PROFESSIONAL EXPERIENCE

Professor Emeriti State University of New York College at Cortland, Cortland, New York

Teaching Experience:

Taught college classes in health administration and planning, health policy graduate seminar, drug intervention and prevention, program evaluation, tobacco policy and treatment and community health, community health education; University of Oregon, State University of New York at Cortland, and Lane Community College.

Other College Experience:

Supervised full-time field work interns in a wide variety of health areas. Advised master's theses. Coordinated and supervised independent-study programs; served as Chair on college faculty affairs committee and department Multi-Cultural Diversity Committee. Advised 40 students and served as a faculty advisor to Eta Sigma Gamma (health honorary) and the Cortland College Student Association.

Principal Evaluator, U.S. Navy Regional Morale, Welfare & Recreation, Life Enhancement Ashore/Afloat Seattle, WA, 1988-1990

Conducted a quasi-experimental evaluation of a work-site health-promotion project on two 600-man Navy ships. Project had unique leisure component. Produced good outcome data on alcohol and drug use, smoking, fitness, health and leisure behavior, participation and ship performance in a PhD dissertation.

Graduate Teaching Fellow, School and Community Health Department, University of Oregon, Eugene, Oregon, 1985-1987

Taught classes in Community Health, supervised community-health practicum students and conducted workshops and seminars for students during their practicum.

Executive Director, Lane County Council on Alcoholism, Eugene, Oregon, 1979-1983

Administered multimodality alcohol program for residential treatment centers, women's day treatment, crisis and outpatient clinics, and community-education program. Redesignated fiscal and administrative system; formulated budgets; authorized expenditures; contracted services; supervised and trained staff; expanded programs through initiatives at local and State level toward funding sources. Founded State Alcohol Director's Association; served on State task forces formulating administrative rules and data-retrieval systems for alcohol and drug programs. Developed and implemented agency policies; made public presentations; testified before local and State governmental bodies, and in courts as expert witness. Advised and consulted with other human-service professionals and served on State Committee for Interdepartmental Cooperation.

Director, Behanna House (women's alcoholism treatment center) Lane County Council on Alcoholism, Eugene, Oregon, 1977-1979

Directed women's residential alcoholism treatment program. Designed and implemented client-directed residential milieu therapy. Expanded program to include innovative leisure education and recreation services, group-centered activities, increased client responsibility, and case-management system. Supervised and trained staff; revised and improved record keeping; and established cooperative referral arrangements with public and private community agencies and institutions.

Director Alcohol Traffic Safety Clinic Services for Problem Drinking Drivers, Eugene, OR, 1970-1976

Developed first prototype drinking-driver education and treatment program in the U.S. Designed diagnostic and intake procedures, educational and group-treatment programs, and follow-up procedures. * Unless waived by the Board.

Attachment, questions 1-6
Lane County Citizen Advisory Committee Application for Tracey Dumas
Mental Health Advisory Committee
Due Date: April 13, 2007

1. brief description of the experience or training that qualifies you for membership

work experience as a mental health counselor in 2 Seattle area residential facilities

personal experiences as an adolescent and as an adult receiving mental health services

personal experiences as parent of a child receiving inpatient and outpatient mental health services.

Graduate level education including mental health studies.

Research while in the Minority Fellowship Program funded by the National Institute of Mental Health.

6 years on mental health committees, councils, and boards at the local and state levels.

2. why do you want to become a member and specific contributions

I desire to become a member of this advisory committee because of its potential to influence mental health policies, procedures, and programs at the county level. I hope to be a strong voice and advocate for improving the quality of life in particular for people with various forms of disabilities, people of color, children, and seniors.

3. community concerns related to this committee

mental health of men and women in the military and veterans, morbidity and mortality rates for people with mental illness, seclusion and restraint of children and adults, mental health of people of color, mental health of foster care children

4. present or past involvement in relevant community groups

In the past I have been involved in programs at churches and schools focused on involvement in the community.

I was a crisis line worker and office assistant for Womenspace.

I am a member of Mindfreedom Oregon and a participant and board member of Safe Inc./Valia, two consumer operated non-profit organizations which assist consumers/survivors as they work towards recovery.

I founded and serve as the chair of VALID Task Force which works to end violence and abuse in the lives of individuals with disabilities. We are partners on a 3-year \$750,000 Department of Justice education and technical assistance grant to end violence against women with disabilities.

I serve as the president of the Trauma Healing Project, Inc.

5. I highly value, respect, and welcome cultural diversity. I am an excellent team player in groups with members from diverse cultures and backgrounds. I have personally experienced racism, sexism, ageism, and ableism living in Lane County. I believe that we have additional work to do together to achieve a more widespread and prevailing non-discrimination policy in the county's programs, services, activities, streets, and neighborhoods.

6. Advisory Boards or Committees

Addictions and Mental Health Division (AMH) Mental Health Planning and Management Advisory Council

AMH Consumer/Survivor Advisory Council

Lane County Mental Health Consumer Advisory Committee

Lane County Domestic Violence Council

The Trauma Healing Project, Inc. Board of Directors

Safe, Inc./Valia Board of Directors

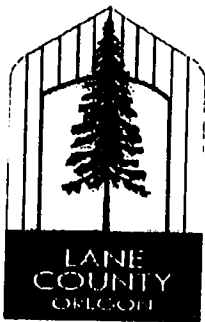

Eugene Human Rights Mental Health Subcommittee

LaneCare Quality Assurance Committee

LaneCare Peer Advisory Committee

100% Access Mental Health Subcommittee

ShelterCare Consumer Council
