

Supplemental Memo

Memo Date: May 24, 2007

Hearing Date: June 5, 2007 (Continued from May 15, 2007)

TO: Board of County Commissioners

DEPARTMENT: Public Works Dept./Land Management Division

PRESENTED BY: BILL VANVACTOR, COUNTY ADMINISTRATOR
KENT HOWE, PLANNING DIRECTOR

AGENDA ITEM TITLE: In the Matter of Considering a Ballot Measure 37 Claim and Deciding Whether to Modify, Remove or Not Apply Restrictive Land Use Regulations in Lieu of Providing Just Compensation (PA06-7310, Harper2)

BACKGROUND

Applicant: Warren T. Harper

Current Owner: Warren T. Harper

Agent: Frederick Batson

Map and Tax lot(s): 16-04-23, #900 and #1400

Acreage: 62 acres

Current Zoning: E-30 (Exclusive Farm Use)

Date Property Acquired: #1400 - April 9, 1974 (WD #9317639)

#900 - January 5, 1977 (WD #7809042)

Date claim submitted: December 1, 2006

180-day deadline: May 30, 2007

Land Use Regulations in Effect at Date of Acquisition: AGT (Agriculture, Grazing, Timberland)

Restrictive County land use regulation: Minimum parcel size of thirty acres, limitations on new dwellings and aggregate extraction in the E-30 (Exclusive Farm Use) zone (LC 16.212).

This claim was originally heard on May 15, 2007. The Board continued the discussion of this claim to the June 5, 2007 public hearing in order to allow the claimants time to submit additional information and have the Board reconsider the recommendation. The Board requested all new information to be submitted to Lane County by May 25, 2007.

ANALYSIS

The claimant submitted additional evidence on May 14, 2007.

The current owner, Warren T. Harper, acquired an interest in tax lot 1400 on April 9, 1974, and tax lot 900 on January 5, 1977, when the properties were zoned AGT. Currently, the properties are zoned E-30.

The alleged reduction in fair market value is \$1,884,000, based the submitted appraisal of the reduction in fair market value because of the restrictive land use regulations that have been applied to the property since it was acquired by the claimant.

CONCLUSION

It appears this is a valid claim.

RECOMMENDATION

The County Administrator recommends the Board adopt the attached order to waive the restrictive land use regulations of the E-30 zone.

**BEFORE THE BOARD OF COUNTY COMMISSIONERS OF LANE COUNTY,
OREGON**

ORDER No.

) IN THE MATTER OF CONSIDERING A BALLOT
) MEASURE 37 CLAIM AND DECIDING
) WHETHER TO MODIFY, REMOVE OR NOT
) APPLY RESTRICTIVE LAND USE
) REGULATIONS IN LIEU OF PROVIDING JUST
) COMPENSATION (Harper2/PA06-7310)

WHEREAS, the voters of the State of Oregon passed Ballot Measure 37 on November 2, 2004, which added provisions to Oregon Revised Statutes (ORS) Chapter 197 to require, under certain circumstances, payment to landowner if a government land use regulation restricts the use of private real property and has the effect of reducing the property value; and

WHEREAS, the Board of County Commissioners of Lane County enacted Ordinance No. 18-04 on December 1, 2004, to establish a real property compensation claim application process in LC 2.700 through 2.770 for Ballot Measure 37 claims; and

WHEREAS, the County Administrator has reviewed an application for a Measure 37 claim submitted by Warren T. Harper (PA06-7310), the owner of real property located off Lone Pine Road, Eugene, and more specifically described in the records of the Lane County Assessor as map 16-04-23 tax lots 900 and 1400, consisting of approximately 62 acres in Lane County, Oregon; and

WHEREAS, the County Administrator has determined that the application appears to meet all of the criteria of LC 2.740(1)(a)-(d), appears to be eligible for just compensation and appears to require modification, removal or not applying the restrictive land use regulations in lieu of payment of just compensation and has referred the application to the Board for public hearing and confirmation that the application qualifies for further action under Measure 37 and LC 2.700 through 2.770; and

WHEREAS, the County Administrator has determined under LC 2.740(4) that modification, removal or not applying the restrictive land use regulation is necessary to avoid owner entitlement to just compensation under Ballot Measure 37 and made that recommendation to the Board; and

WHEREAS, the Board has reviewed the evidence and confirmed the application appears to qualify for compensation under Measure 37 but Lane County has not appropriated funds for compensation for Measure 37 claims and has no funds available for this purpose; and

WHEREAS, on May 15, 2007, the Board conducted a public hearing on the Measure 37 claim (PA06-7310) of Warren T. Harper and continued the hearing on June 5, 2007, and has now determined that the restrictive E-30 (Exclusive Farm Use) zone dwelling and land division requirements of LC 16.212 were enforced and made applicable to prevent Warren T. Harper from developing the property as might have been allowed at the time he acquired an interest in tax lot 900 on January 5, 1977, and tax lot 1400 on April 9, 1974, and that the public benefit

from application of the current E-30 division and dwelling land use regulations to the applicant's property is outweighed by the public burden of paying just compensation; and

WHEREAS, Warren T. Harper requests either \$1,884,000 as compensation for the reduction in value of his property, or waiver of all land use regulations that would restrict the division of land into lots containing less than thirty acres and placement of a dwelling on each lot, uses that could have otherwise been allowed at the time he acquired an interest in the property; and

WHEREAS, the Board finds that under LC 2.760(3) the public interest would be better served by modifying, removing or not applying the challenged land use regulations of the E-30 zone to the subject property in the manner and for the reasons stated in the report and recommendation of the County Administrator incorporated here by this reference except as explicitly revised here to reflect Board deliberation and action to allow Warren T. Harper to make application for development of the subject property in a manner similar to what he could have been able to do under the regulations in effect when he acquired an interest in the property; and

WHEREAS, this matter having been fully considered by the Lane County Board of Commissioners.

NOW, THEREFORE IT IS HEREBY ORDERED that the applicant Warren T. Harper made a valid claim under Ballot Measure 37 by describing the use being sought, identifying the county land use regulations prohibiting that use, submitting evidence that those land use regulations have the effect of reducing the value of the property, showing evidence that he acquired an interest in the property before the restrictive county land use regulations were enacted or enforced and the Board hereby elects not to pay just compensation but in lieu of payment, the request of Warren T. Harper shall be granted and the restrictive provisions of LC 16.212 that limit the division of land and placement of dwellings in the E-30 (Exclusive Farm Use) Zone shall not apply to Warren T. Harper, so he can make application for approval to develop the property located off Lone Pine Road, Eugene, and more specifically described in the records of the Lane County Assessor as map 16-04-23, tax lots 900 and 1400, consisting of approximately 62 acres in Lane County, Oregon, in a manner consistent with the land use regulations in effect when he acquired an interest in tax lot 900 on January 5, 1977 and tax lot 1400 on April 9, 1974.

IT IS HEREBY FURTHER ORDERED that Warren T. Harper still needs to make application and receive approval of any division of the property or placement of a dwelling under the other land use regulations applicable to dividing the property or placing a dwelling that were not specifically identified or established by him as restricting the division of the property or placement of a dwelling, and it would be premature to not apply those regulations given the available evidence. To the extent necessary to effectuate the Board action to not apply the dwelling or division restrictions of the applicable zone described above, the claimant shall submit appropriate applications for review and approval of a new dwelling to show the specific development proposals and in the event additional county land use regulations result in a restriction of those uses that have the effect of reducing the fair market value of the property, the County Administrator shall have the authority to determine those restrictive county land use regulations that will not apply to that development proposal to preclude entitlement to just compensation under Measure 37, and return to the Board for action, if necessary. All other Lane Code land use and development regulations shall remain applicable to the subject property until

such time as they are shown to be restrictive and that those restrictions reduce the fair market value of the subject property.

IT IS HEREBY FURTHER ORDERED that this action making certain Lane Code provisions inapplicable to use of the property by Warren T. Harper does not constitute a waiver or modification of state land use regulations and does not authorize immediate division of the subject property or immediate construction of a dwelling. The requirements of state law may contain specific standards regulating development of the subject property and the applicant should contact the Department of Administrative Services (DAS - State Services Division, Risk Management - Measure 37 Unit, 1225 Ferry Street SE, U160, Salem, OR 97301-4292; Telephone: (503) 373-7475; website address: <http://www.oregon.gov/DAS/Risk/M37.shtml>) and have the State of Oregon evaluate a Measure 37 claim and provide evidence of final state action before seeking county land use approval.

IT IS HEREBY FURTHER ORDERED that the other county land use regulations and rules that still apply to the property require that land use, sanitation and building permits be approved by Lane County before any development can proceed. Notice of this decision shall be recorded in the county deed records. This order shall be effective and in effect as described in LC 2.770 and Ballot Measure 37 to the extent permitted by law. This order does not resolve several questions about the effect and application of Measure 37, including the question of whether the right of applicant to divide or build dwellings can be transferred to another owner. If the ruling of the Marion County Circuit Court in *MacPherson v. Dept. of Administrative Services*, (Marion County Circ. Ct. Case No. 00C15769, October 14, 2005) or any other court decision involving Ballot Measure 37 becomes final and that decision or any subsequent court decision has application to Lane County in a manner that affects the authority of this Board to grant relief under Ballot Measure 37 and LC 2.700 through 2.770 then the validity and effectiveness of this Order shall be governed by LC 2.770 and the ruling of the court.

DATED this _____ day of _____, 2007.
