AGENDA ITEM TITLE: IN THE MATTER OF DELEGATING AUTHORITY TO EXECUTE PURCHASE ORDER #229423 TO PURCHASE IN-CAR VIDEO CAMERA SYSTEMS FROM MOTOROLA IN THE AMOUNT OF \$189,134.10

I. MOTION

MOVE TO APPROVE EXECUTION OF PURCHASE ORDER #229423

DISCUSSION

A. Background/Analysis

Board Order 06-5-24-10 authorized application and execution of grant documents related to a US Department of Justice, Community Oriented Policing Services (COPS) grant in the amount of \$197,446 to purchase digital in-car video camera systems for patrol and traffic safety vehicles in the Sheriff's Office.

Purchase Order (PO) #229423 has been prepared to order 27 in-car video camera units from Motorola under State Price Agreement 4416.

Per Lane Manual 21.129, POs may be used to obtain goods and materials utilizing a contract competitively bid by other political subdivisions when the specifications indicated that more than one political subdivision could utilize the bid award.

Utilizing a State Price Agreement satisfies the requirement of competitive selection.

Per Lane County Administrative Procedures Manual, Chapter 2, Section 1 states Purchases of more than \$50,000 can be made by purchase order if authorized by action of the Board of County Commissioners.

B. RECOMMENDATION

Staff recommends approving execution of Purchase Order #229423 to Motorola for the purchase of in-car video camera systems.

State Price Agreements are a cost effective method to purchase materials and goods because they have already met the requirements of competitive selection.
