ISSUE STATEMENT

Planning Directors from Springfield, Lane County and Eugene are working to update the Metro Plan based on regional issues and HB 3337. Staff has developed a work plan (included in the December 7, 2009 JEO meeting packet as Attachment A) that identifies:

1. Specific regional issues to be addressed.
2. General approach to resolve these issues.
3. Metro Plan chapters and sections that will need to be updated.

The five specific regional issues noted above, as confirmed by the elected officials from Springfield, Lane County and Eugene, include:

1. Definition of Key Urban Services
2. Jurisdictional Autonomy
3. Urban Transition Agreements
4. Dispute Resolution
5. Farmland and Open Space Protection

Beginning with 1. Definition of Key Urban Services, staff has begun to identify and remove the inconsistencies within the Metro Plan text. Policy-related questions will be identified and brought to the JEO/individual jurisdictions for consideration as appropriate.
