Renew Five-Year Local Option Levy for General School Operations. ⁹

Question 20 words which plainly phrases the chief purpose of the measure.

Shall C-A-L District continue to levy \$1.50 per \$1,000 assessed value for general operations for five years beginning 2020? This measure renews current local option taxes. ¹⁹

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

In November 2014 voters approved a local option levy of up to \$1.50 per \$1,000 assessed value to support Crow-Applegate-Lorane School District No. 66 ("the District") operations. This measure renews that levy at the same rate.

The current voter-approved local option levy provides funding for retaining teachers and staff, and for instructional programming that students need for a well-rounded education. Without continuation of the revenue from this levy, the district will need to reduce the budget by an estimated \$200,000 dollars in the 2020/21 school year.

At the rate of \$1.50 per \$1,000 of assessed value, the local option levy is estimated to raise revenue of \$1,062,000 over the next five years, broken down as follows:

- 2020/21 \$200,000
- 2021/22 \$206,000
- 2022/23 \$212,000
- 2023/24 \$219,000
- 2024/25 \$225,000

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.
