Caption 10 words which reasonably identifies the subject of the measure.

Measure proposing an amendment to the Dunes City Charter.

Question 20 words which plainly phrases the chief purpose of the measure.

Shall the Dunes City Charter be amended to provide that City public contracts are governed by state law?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The City Council recommended this measure after review of Oregon public contracting laws and the City Charter.

Currently, Section 39 of the City Charter requires a public contracting process for public improvements that is stricter than state law and does not allow the City to take full advantage of modern contracting processes.

If adopted, this measure would require the City to follow Oregon law for its public improvements contracts. The Charter amendment would allow the City the advantage of certain public contracting processes that are governed by state law but not contemplated by the current City Charter.

The measure would amend City Charter Section 39 to read: "Contracts for public improvements shall be governed by state public contracting law."

Full text of the current City Charter and the proposed amendment can be viewed at City Hall during normal business hours or on the City's website: dunescityhall.com.
