PROPOSAL

Request for County Engineer approval of a deviation from the minimum Road Design Standards (Lane Code 15.700 - 15.708) and/or from the Facility Permit requirements (Lane Code 15.205 - 15.210) pursuant to Lane Code 15.709.

PLEASE NOTE: A deviation may not be requested if the standards in question are required as a condition of approval of a land use decision.

REQUIRED SUBMITTALS

- **SITE PLAN** Provide dimensioned site plan. Refer to handout titled "How to Draw a Site Plan" available online at:

www.lanecounty.org/planning
- **SUPPORTING MATERIALS** Provide supporting materials that document why the deviation is needed (e.g., contour map, photographs).

PLEASE NOTE: The applicant is responsible for providing sufficient information in this application and supporting materials, as needed, to demonstrate consistency with Lane Code 15.709.

PRELIMINARY ASSESSMENT MEETING

Prior to submitting application, contact Transportation Planning to determine whether a preliminary assessment meeting is required. **Meeting Date:** _____
