Dear Ms. Phillips;

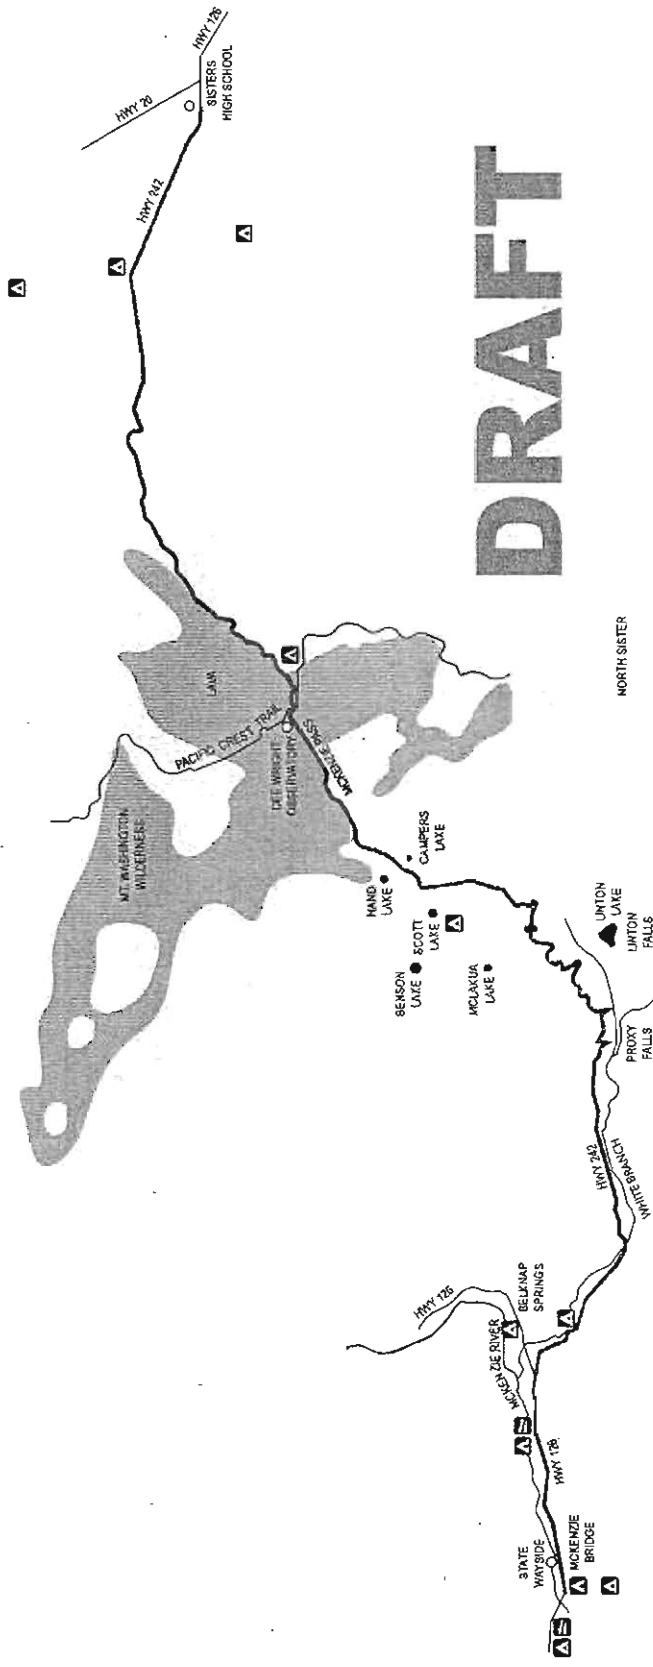

I am pleased to offer the continued support of the Lane County Board of Commissioners for the Scenic Bikeway application submitted by the Sisters Area Chamber of Commerce for designation of the McKenzie Pass Scenic Bikeway.

The McKenzie Pass Scenic Bikeway would be a significant asset for Sisters, Oregon and Lane County. It will provide an exciting and breathtaking ride over the McKenzie Pass and offers a uniquely different perspective on the Central Oregon landscape. Residents and visitors will have additional route choices based on their ability level and desired destination.

These types of enhanced cycling venues make Sisters and Lane County more competitive as a year round destination and help sustain a vital and vibrant economy. Approval of the Scenic Bikeway application will most certainly enhance both Sisters and Lane County tourism promotions and will assist in encouraging visitor traffic to our region.

Sincerely,

Faye Stewart, Chair
