MEMORANDUM

TO: Mayor and City Council

FROM: Howard P. Schesser, Community Development Director

SUBJECT: Resolution Authorizing the City Manager to Enter Into An Intergovernmental Agreement With Lane County For Planning Coordination

DATE: May 4, 2011

Background

In 2001, Lane County and the incorporated municipalities in Lane County entered into a agreement for planning coordination. Each jurisdiction adopted the agreement together with Lane County. That agreement has worked well throughout the years. As we were discussing the application material to be submitted to the Oregon Department of Land Conservation (DLCD) we discovered that the planning coordination agreement did not contain a required clause from OAR 660-011 related to urban growth boundaries. DLCD agreed to process our application knowing that the City and County had agreed to work on making the required amendment to include the missing section.

We now have the agreement with the missing section, which is attached. The wording being added is in **bold lettering** on page 3, as Section 3. With this wording our planning coordination agreement will be in compliance with OAR 660-011.

Recommendation

That the resolution be adopted.
