Section 3 - Maintenance of Membership

All members of the bargaining unit who are members of the **UNION** as of the effective date of the Agreement, or who subsequently voluntarily become members of the **UNION**, shall continue to maintain membership status in the **UNION** during the term of this Agreement. Section 4 - Dues Transmittal/Hold Harmless

- (A) The **COUNTY** agrees to remit the aggregate deductions, together with an itemized statement to the **UNION**, by the first day of the succeeding month after such deductions are made.
- (B) The **UNION** agrees to release the **COUNTY** and save the **COUNTY** harmless from any liability whatsoever in performing its obligations as specified in this Article. Reasonable costs incurred in the defense of the **COUNTY** in any legal action brought against the **COUNTY** for implementing the provisions of this Article shall be borne by the **UNION**. The **COUNTY** agrees to cooperate fully in the defense of the claim. Nothing in this section shall be construed as to limit the **COUNTY's** obligation to deduct and transmit dues and fees to the **UNION**.

ARTICLE IV

UNION RIGHTS

Section 1 - Union Activity

- (A) The **UNION** or its representatives shall have the right to conduct official **UNION** business on **COUNTY** property at such times and in a manner which does not interrupt **COUNTY** operations or efficiency. The Human Resources Director or designee can issue approval for the **UNION** President to leave their station with supervisory notification. Nothing herein is to be construed as a right of an employee to leave their station without supervisory approval.

The **UNION** shall conduct all business on other than **COUNTY** time except as expressly authorized elsewhere in this Agreement.

- (B) The **COUNTY** agrees to furnish bulletin boards to be placed in designated places in each work area. The **UNION** shall limit the use of such bulletin boards to the posting of notices of general interest and **UNION** meetings, exclusive of objectionable material, and shall maintain the bulletin boards in good order.
- (C) The **UNION** shall have access to **COUNTY** duplication equipment, upon appropriate prior approval, at such times as it is available, at the applicable **COUNTY** rate. It is understood that **COUNTY** use shall take priority over **UNION** use of such equipment. Use shall be by **UNION** members on their own time.
- (D) Employee members of the **UNION** bargaining team shall not suffer loss in pay while participating in bona fide negotiation sessions between the **UNION** and the **COUNTY**, provided, however, that the number of such employees shall be limited to three (3) at any one time and provided further than no more than one (1) per program without the consent of the **COUNTY**.
- (E) The **COUNTY** agrees that accredited representatives of the **UNION** shall have reasonable access to the premises of the **COUNTY** for the purpose of ascertaining whether this Agreement is being observed. **UNION** representatives shall first report their presence and intentions to the director of the appropriate department, or designated representatives, and shall conduct their activities in a manner which avoids loss of time or disruption of operations.
- (F) An employee, but not more than one (1) who accepts an official position with the **UNION** may if no serious disruption of operations, with thirty (30) days advance notice, be granted a leave of absence without pay not to exceed six (6) calendar months in duration. Such employee shall be reinstated by the **COUNTY** provided that such employee notifies the **COUNTY** in writing of their intent to return to work thirty (30) calendar days in advance, and provided further that said employee is still qualified to perform the applicable job duties. Only one (1) leave shall be granted to an employee in any eighteen (18) month period.
- (G) The **COUNTY** agrees to furnish the **UNION**, in response to reasonable written requests from time to time, information pertaining to employees covered by this Agreement, which is readily and reasonably available to **COUNTY** Administration in the regular course of business and not exempt from public disclosure.
- (1) When the **UNION** submits to the **COUNTY** or any agent thereof a request for information, the **COUNTY** shall quickly estimate the staff time required to obtain the requested information and the number of copied pages that could be produced as a result of the request.
- (2) If it is estimated that the information request will require a total of less than one hour of staff time to research, retrieve and/or compile the information as well as require one

hundred (100) or less copied pages, the **UNION** will not be charged for the information request.

- (3) If it is estimated that request will require one hour or more of staff time to research, retrieve and/or compile or require more than one hundred (100) copied pages, any response to said information request will be suspended until such time as representatives of the **COUNTY** and the **UNION** can meet to discuss the matter. The purpose of any such discussion will be to provide the **UNION** an opportunity to clarify or modify its request as well as for the parties to agree to charges that are reflective of operative **COUNTY** regulations or standard procedures.
- (4) Likewise similar procedures would be applied to the **COUNTY** for any information request submitted to the **UNION**, but in no event shall the **UNION** assess rates that exceed the **COUNTY's**.
- (5) The **UNION** will make a conspicuous effort to have its agents better craft their requests for information.

By January 10 of each year the **COUNTY** shall furnish the current addresses of all bargaining unit members to the **UNION** except for those employees who request that their addresses not be disclosed. Costs shall be the responsibility of the **UNION** at the rate of established fees for public record requests.

- (H) **COUNTY** employees have the right to join and participate in the activities of the **UNION** for the purposes of representation and collective bargaining with the **COUNTY** on matters concerning employment relations as long as a loss of time or disruption of **COUNTY** business is not incurred.
- (I) The **COUNTY** agrees that where, in the judgment of the **COUNTY**, its operations will not be seriously disrupted, it will allow **UNION** Executive Board Members who are otherwise scheduled to work, but not more than one (1) per Department, to attend Executive Board meetings after 5:00 p.m. without pay.

Section 2 - COUNTY-UNION Meetings

From time to time issues of mutual concern will arise which may need discussion between the **COUNTY** and the **UNION**. Such discussion, when practicable, shall be held during regular working hours on **COUNTY** premises and without loss of pay to participating employees, provided that such employees shall not exceed two (2) in number. Notice of the prospective topics of discussion shall be furnished with the request for a meeting. Nothing in this provision is to be construed as a requirement of either party to negotiate on any matter during the term of this Agreement.

Section 3 - Information

The **COUNTY** agrees to make available to the **UNION** electronically, at no cost, a copy of all regulations, and copies of the Lane Code, Administrative Procedures Manual, Lane Manual and classification specifications, including amendments and additions. Within thirty (30) days after execution of this Agreement, the **COUNTY** will update the above documents made available to the **UNION**. The **UNION** will pay for additional copies of the Lane Code, the Lane Manual and the Administrative Procedures Manual, if needed. Additions and amendments to the Lane Code, Lane Manual, Administrative Procedures Manual and classification specifications shall not become effective until the **UNION** has been sent a copy.

Section 4 - Protection of Rights

- (A) The parties shall not interfere with, restrain or coerce employees in or because of the exercise of rights guaranteed under ORS 243.650 to 243.782 or this Agreement and the **COUNTY** further

agrees not to dominate or interfere with or assist in the formation, existence or administration of the **UNION** or any successor employee organization.

- (B) The parties agree that any acts described within this section constitute Unfair Labor Practices under ORS 243.672 and are subject to appeal and review by the Employment Relations Board pursuant to Oregon Administrative Rules, Chapter 115, Division 35. Therefore, this section is not subject to Article VI - Grievance Procedure of this Agreement and shall be subject exclusively to the applicable Oregon Revised Statutes and Oregon Administrative Procedures. Further, if an Unfair Labor Practice Complaint is filed, any grievance over the issue becomes null and void, and the issue shall become subject exclusively to the applicable Oregon Revised Statutes and Oregon Administrative Procedures.

Section 5 - Officers and Representatives

The **UNION** shall provide a current list of its officers and representatives to the Labor Relations Manager, or designated representative. The **UNION** shall notify the Labor Relations Manager, or designated representative, of changes to this listing in a timely fashion.

Section 6 – Orientation of Union Employees

The County agrees to notify the Union monthly of all new employees hired into bargaining unit positions and to provide reasonable time for the union representatives to meet with new employees.

ARTICLE V

Section 1 - Causes for Discipline

- (A) An employee who has completed the probationary period as defined in Article VIII of this Agreement shall not be disciplined or discharged without just cause. In determining if just cause exists, the following four tests must be met:
 - (1) Was the employee forewarned of possible consequences of his/her conduct?
 - (2) Did the employee breach a rule or commit an offense as charged?
 - (3) Did the employee's act or misconduct warrant corrective action or punishment?
 - (4) Is the penalty just and appropriate to the act or offense as corrective punishment?
- (B) Disciplinary action shall be accomplished in a manner which affords the employee the most protection possible from embarrassment before other employees or the public.
- (C) Discipline shall consist of one of the following:
 - (1) Documented Oral warning
 - (2) Written Reprimand
 - (3) Suspension
 - (4) Discharge
- (D) Disciplinary action shall only be imposed upon an employee in relation to activities related to the employee's ability to perform his/her duties. Disciplinary action may be taken for activities that take place outside of **COUNTY** premises on off-duty time only when the employee's ability and effectiveness to perform his/her job is impaired.
- (E) Notice of disciplinary action shall normally be provided to the employee within fourteen (14) calendar days from the date the **COUNTY** had or should reasonably have had knowledge of the occurrence for which the action is being taken. If, at the Department's discretion, an investigation is necessary, it shall be initiated within seven (7) calendar days from the date the **COUNTY** had or should reasonably have had knowledge of the occurrence and notice of charges and intended disciplinary action shall be provided to the employee within seven (7) calendar days from the date the **COUNTY** determines the investigation is complete. Calendar days shall not include any paid leave days. When the Department notifies the individual that a formal investigation is being conducted which may result in discipline, the Department will also notify the **UNION**, and advise the **UNION** of anticipated length of the investigation. This notification requirement shall not apply to informal investigations, or investigations conducted by the Sheriff, District Attorney, or any outside agency.

Section 2 - Pre-disciplinary Hearing

When the **COUNTY** intends to take disciplinary action involving discharge or suspension, the **COUNTY** shall notify the non-probationary employee and the **UNION** in writing of the charges against the employee and the proposed disciplinary action, and shall provide the employee with the opportunity to respond to the charges at a hearing with the supervisor or person having authority to impose the proposed disciplinary action. In the event this proceeding is recorded, the **COUNTY** will provide a copy of the tapes and/or transcript to the **UNION**.

- (A) The non-probationary employee whose discipline involving discharge or suspension is being considered shall be granted fourteen (14) calendar days (or more by mutual agreement) to prepare for the disciplinary hearing.
- (B) The employee shall be entitled to have **UNION** representation, not to exceed two **COUNTY** employees at the pre-disciplinary hearing.

Section 3 - Effective Date of Discipline

Once an employee has received any disciplinary action, such action shall be final, subject to the grievance procedure, Article VI of this Agreement.

Section 4 - Extension of Time

Extensions to the time limits shall be permitted under the following circumstances:

- (A) The time limits set forth in this Article may be extended by mutual agreement.
- (B) If the employee, the supervisor or any other directly involved individual is unavailable to properly investigate the incident due to illness or vacation, the time limits specified herein shall be extended by the number of days the individual(s) specified are unavailable.

(B) Qualifications

The above **COUNTY** holidays are to be paid holidays, but only for eligible and qualified employees. For the purposes of this Article, an eligible and qualified employee shall mean any non-probationary or probationary permanent employee who:

- (1) Reports for work or is on paid leave on their last scheduled work day prior to, and first scheduled work day following, the holiday; and
- (2) Whose scheduled work day or paid leave prior to or following the holiday falls within two (2) calendar days of the holiday.

When work requirements are such that a team or work group approach is necessary for productive and/or effective accomplishment of work, the **COUNTY** may develop a single modified work schedule which seems to best accommodate the interests of the majority of employees on the team or work group and meet the operational needs of the **COUNTY**. The team or work group shall have the option of determining whether to operate using the normal or modified work schedule.

- (c) If the **COUNTY** does not permit part time employees an opportunity for a modified work schedule for the week of a holiday pursuant to Paragraph (a) or (b), above, employees shall receive full holiday pay for the actual hours they would have worked on the holiday.
 - (d) If part time employees are offered an opportunity by the **COUNTY** for a modified work schedule for the week of a holiday pursuant to Paragraph a or b above, and elect not to change from the normal work schedule, employees must use accrued time management leave or other earned leave to supplement the pro-rated holiday pay in order to receive a normal pay check or receive a short pay check based on pro-rated pay for the holiday.

Whenever the Holiday falls equally between workdays, the last workday before the holiday shall be designated as the holiday. However, as an option, upon mutual agreement between the Supervisor and the employee an alternate day off may be granted. The alternate day off must be taken by the end of the fiscal year. If the employee has requested the time and the request has been denied due to **COUNTY** requirements the time off will be granted within the following 30 calendar days.

(E) Holiday During Leave

Should an employee be on authorized paid leave when a holiday occurs, such holiday shall not be charged against such leave or vacation.

(F) Friday Following Thanksgiving

The Friday following Thanksgiving, though not to be construed as a holiday for pay purposes, shall be considered a day off with pay except for those employees required by the **COUNTY** to report for work. Employees so required to work shall be given an alternate day off at the mutual convenience of the **COUNTY** and the affected employee. The alternate day must be taken by the end of the fiscal year. For eligible regular part time and eligible temporary employees, who are not covered under Section 5, Personal Time Off, hours are to be based on the average hours scheduled during the two (2) pay periods prior to the Friday following Thanksgiving.

Section 2 - Time Management

(A) Purpose

It is the purpose of the employee time management program to provide employees with a leave with pay program which is easy to understand, responsive to individual needs, and easy to administer.

(E) Existing Vacation

All employees' existing vacation accrual as of July 1, 1987 will be preserved in a separate balance. Employees with an existing vacation balance will have the option of charging leave to

either the vacation balance or the time management balance. Upon the termination, or in the event of the death of an employee, the employee's vacation balance shall be paid in cash at the current rate of pay.

(F) Usage

- (1) Subject to the terms provided herein, earned leave time shall be available for use as it is earned.
- (2) During the course of the year, absences from work for any reason unless otherwise specified elsewhere in this Agreement, shall be charged against the employee's accrued leave balance. Earned leave shall accrue whenever an employee is on pay status with the **COUNTY**. Employees do not accrue earned leave when on leave without pay.
- (3) Time management requested and taken on a given day shall be equal to the number of hours the employee actually takes off work provided that such time shall not exceed the number of hours the employee would normally have worked on that day.

(G) Maximum Accumulation

An employee may accumulate earned leave, excluding the separate vacation balance, if any, to a maximum of twice their annual time management accumulation. As of the end of the pay period in which March 31 falls in each year, any employee credited with accrued leave greater than twice their annual leave accumulation shall forfeit that amount above their maximum accumulation. An employee who has acquired the maximum allowable accumulation of earned leave may continue to accumulate earned leave for the balance of the year in which the maximum accrual was reached, provided, however, that the employee must reduce the accumulation to the maximum allowable prior to the following March 31 or forfeit the excess.

(H) Termination

After six (6) months of service, upon the termination of a non-probationary employee, the employee's accrued time management leave balance as of the date of termination shall be converted into pay at the rate of one (1) hour for each two (2) hours of accrued time management leave.

(I) Death

After six (6) months of service, in the event of the death of a non-probationary employee, all accumulated earned leave shall be paid to the employee's personal representative at the current rate of pay.

(J) Scheduling

- (1) Employees shall, whenever possible, request time-off in advance. Use of such leave must be scheduled between the employee and the **COUNTY**. When an employee is sick or an emergency occurs requiring their presence elsewhere, the employee must notify their supervisor as soon as possible.
- (2) Leave which has not been scheduled with the employee's supervisor at least two (2) working days in advance is defined to be unscheduled. Excessive use or a pattern of unscheduled leave may require written substantiation of illness or emergency nature of leave requirement. Failure to provide legitimate substantiation may result in disciplinary action up to and including discharge.
- (3) Upon receipt of a request for earned leave time off, the **COUNTY** shall grant or deny the request in writing as soon as possible, but in no event, longer than ten (10) days from the date of the request.

(K) Conversion

- (1) Employees may sell accrued time management hours and vacation hours subject to the following restrictions:
 - (a) The maximum number of time management hours and vacation hours that can be converted into cash compensation in a calendar year cannot be greater than the number of hours taken in that same calendar year or eighty (80) hours whichever is the lesser.
 - (b) Employees must have a balance of at least forty (40) hours of time management after selling the time.
 - (b)(c) Notwithstanding paragraph (a) above, during the life of this contract, the maximum number of time management hours and vacation hours that can be converted into cash compensation in the 2004 calendar year only cannot be greater than the number of hours taken in the same calendar fiscal year or forty (40) hours whichever is the lesser.
 - (c)(d) The time management leave hours must be either scheduled or used prior to any conversion pursuant to this provision.
- (2) Subsection (1) above notwithstanding, during the last three (3) fiscal years prior to retirement eligibility, employees may sell up to two hundred (200) hours per fiscal year of their annual leave accrual at the current rate of pay. Extensions of an employee's scheduled retirement date notwithstanding, no employee will be entitled to this benefit in more than three (3) years.
- (3) During the life of the contract for employees eligible for pre-retirement time management sale, other than those employees who are eligible prior to December 31, 2011, the maximum number of time management hours and vacation hours that can be converted into cash compensation cannot be greater than the number of hours taken in the same fiscal year or one hundred (100) hours whichever is less.
- (4) Subsection (1) above notwithstanding, employees who are laid off may sell back up to a maximum of eighty (80) hours of time management inclusive of any time management previously sold back in that year. If and when employees are recalled, within the first six (6) months of recall, they may buy back all or part of their previously accrued leave balances at the rate in effect at the time they are recalled at the same ratio at which they were cashed out.

(L) Procedure for Donation of Time Management

Time Management Donations will be allowed on a case by case basis and will require approval by Human Resources Director. Employees who have an extreme emergent situation, have no more than 80 hours of available earned leave time, and will not qualify for short-term or long term disability through the **COUNTY**, may request Time Management Donations through the following procedure:

- (1) Employee or his/her co-workers may make a request in writing to their supervisor stating the nature of the emergent condition and the reason for the request.
- (2) The Supervisor will review the request, verify the employee's leave balance, and check to see if other options are available. If it is found that no leave is available, the request will be forwarded to the Department Director. If the Department Director concurs, the request is forwarded to the HR Director for approval.
- (3) Employees of the Department are notified of need and given an opportunity to donate. In order for this policy to be most effective, employees should be given a specific period of time in which to donate hours.

- (4) The necessary Donation of Time Management Hours form is provided by the department and when filled out is submitted directly to Payroll in order to maintain confidentiality. Names of donors will remain confidential.
- (5) When an employee must take time off from work, hours will be coded as leave without pay ~~"46-Use of Donated Time Management"~~. Donated hours are transferred to the employee's account as needed by Central Payroll. The donated Time Management hours may not be used for any other purpose than the emergency for which they are intended. The department is responsible for monitoring these hours and should notify Central Payroll if there are hours that are not eligible for donated time. ~~Hours are transferred to the employee's account as needed.~~
- (6) When the emergent situation has ended, any donated hours not used will be credited back to donors on a pro-rata basis.
- (7) Donations will be based on time donated, not dollar value of donation.
- (8) The 80 hour eligibility period for Disability Leave defined in Section 4 below ~~LTD~~ will not be subject to this program. ~~An~~ unless an exception may ~~be~~ is granted by the HR Director.

Section 3 - Occupational Illness or Injury

In the event of a leave of absence due to an illness or injury covered by Workers' Compensation, the following shall apply:

- (A) Employees with less than six (6) months of service who sustain an injury or illness compensable by Workers' Compensation and who are unable to perform their assigned duties will be paid the difference between their regular salary and compensation benefits for lost time at the rate of one day per month of employment.
- (B) Employees with more than six (6) months of service who sustain an injury or illness compensable by Workers' Compensation and who are unable to perform their assigned duties will be paid the difference between their regular salary and compensation benefits for lost time for the first ninety (90) calendar days of the employee's on-the-job illness or injury. Such time shall not be charged against any earned leave balance.
- (C) Employees under this section shall have the option of giving their full Workers' Compensation check to the **COUNTY** and receiving their regular salary.

- (A) After completion of six (6) months of employment, if time off from work due to a non-occupational illness or injury exceeds eighty (80) consecutive work hours, the **COUNTY** will provide compensated time off at the regular rate of pay for the first two (2) weeks, or any part thereof, of disability; at ninety percent (90%) pay for the next two (2) weeks, or any part thereof; at eighty percent (80%) pay for the next two (2) weeks, or any part thereof; at seventy percent (70%) for the next two (2) weeks, or any part thereof; and at sixty-six and two-thirds percent (66-2/3%) for any remaining disability period. This change in disability leave would be effective immediately upon ratification of the contract. All disability leave pay is less any Workers' Compensation benefits for which the employee may be entitled following the elimination period specified above until the employee is released to return to work up to a maximum of ninety (90) calendar days from the first day of absence. Only leave used during the eighty (80) consecutive work hour period will be charged against the employee's accrued time management balance and/or extended illness bank. However, an employee whose disability leave exceeds two (2) weeks beyond the elimination period, thereby becoming eligible for a reduced percentage of pay, may choose to offset the reduction from their regular pay by charging time to their accrued time management or vacation

leave balance. Disability leave, including but not limited to the elimination period and paid leave hours shall be prorated for part-time employees.

- (B) If the same illness or injury recurs, requiring the employee to leave work, and the employee has returned to work for seven (7) or less calendar days, no additional time will be charged against the employee's accrued time management leave. In no case shall the **COUNTY** be obligated to provide compensated time off in excess of ninety (90) calendar days less the elimination period for the same illness or injury.
- (C) Once an employee qualifies for long-term disability, the employee is no longer eligible for compensated time off for the same illness or injury even if the **COUNTY** has not provided the maximum ninety (90) calendar days.
- (D) Once an employee has received benefits under this provision, he/she will not be eligible to use accrued time management again until he/she has returned to work and subsequently suffered another illness or injury.
- (E) It is understood that disability leave for any reason shall not exceed that period during which the employee is in fact physically unable to return to work, as substantiated by the employee's physician.
- (F) When the **COUNTY** is providing compensated time off due to a non-occupational illness or injury, the employee will not accrue time management leave. However, if an employee returns to work, with an appropriate medical release, they will accrue time management for the actual hours worked.

Section 5 - Personal Time Off (PTO)

In lieu of Time Management accrual and holiday pay, temporary employees covered by this agreement, will accrue Personal Time Off (PTO) at a rate of .115385 hours per each hour worked with a maximum accrual of 120 hours in a fiscal year.

- (B) PTO will be cashed out at a rate of 1:1.
- (C) PTO will be cashed out upon termination or upon the depletion of the 1040 hours.

- (E) PTO must be used if an employee takes time off during a regularly scheduled work day including holidays.

Section 5-6 - Bereavement

The **COUNTY** may require verification of the family status. Immediate family shall be defined as mother, father, spouse, Registered Domestic Partner, domestic partner (affidavit on file), sister, brother, child, grandparent, grandchild, stepmother, stepfather, step-child, father or mother-in-law, son-in-law or daughter-in-law or any other relative or spousal equivalent residing in the employee's immediate household. The **COUNTY** shall be notified of the spousal equivalent, if applicable, in writing prior to the need for this leave. Leave must be taken within thirty (30) days of death.

Section 6-7 - Substantiation

It is understood that any time off on disability leave pursuant to Section 4 of this Article may require substantiation to the satisfaction of the **COUNTY** prior to compensation. Failure to provide satisfactory substantiation will result in denying compensation and may result in disciplinary action pursuant to Article V, Discipline and Discharge, of this Agreement.

Section 7 - Voting Time

~~Employees registered to vote, but who are unable to vote in general elections due to work scheduling, may be granted sufficient time off with pay to vote, not to exceed two (2) hours. Where such circumstances can be foreseen in advance, such employees are expected to utilize the absentee ballot procedure as prescribed by Oregon Revised Statutes.~~

Section 8 - Jury Duty

An employee called for jury duty, or subpoenaed as a state's witness in any Municipal, County, State or Federal Court shall, upon receipt by the **COUNTY** of all fees paid to the employee for such service, be reimbursed for loss of wages incurred as a result of such service. Employees called for jury duty on a day when they are not scheduled to work shall be allowed to retain fees paid to the employee by the court for such service. The **COUNTY** shall not change an employee's normal work shift because of jury duty. During the period an employee is on jury duty, an employee shall be deemed to be on day shift.

- (A) Leave of absence for good cause may be granted by the **COUNTY** provided that such leaves do not significantly disrupt normal **COUNTY** operations.
- (B) Leaves of absence shall be without pay except as specified elsewhere in this Agreement.
- (C) No payment for any leave of absence shall be made until such leave has been properly approved. Requests for such leaves shall be in writing and applicable upon written receipt of approval from the appropriate appointing authority stating the terms and conditions of the leave. Employees requesting emergency leaves may waive the written requirement, if approved by the **COUNTY**.
- (D) With the exception of military active duty and Peace Corps, a leave of absence without pay may not exceed ninety (90) calendar days, subject to extension on approval of the County Administrator.
- (E) Except and unless an employee who has been granted a leave of absence has, prior to the expiration of the leave of absence, furnished evidence of inability to return to work by reason of sickness, physical disability, or other legitimate reason beyond the control of the employee, and who has been granted an extension of the leave of absence by the **COUNTY**, and who for any reason, fails to return to work at the expiration of said leave of absence, shall be considered as having resigned, and the position shall thereupon be declared vacated.
- (F) Leaves of absence shall be used only for the purpose for which they are granted.

Section 10 - Military Leave

(A) Annual Training Leave

An employee who has been employed by the County for six (6) months or more and who is a member of the National Guard or of any reserve component of the Armed Forces of the United States is entitled to a leave of absence for a period not to exceed fifteen (15) days in any training year for annual active duty training. The training year coincides with the federal fiscal year. The leave shall be granted without loss of pay or other leave, and without impairment of other rights or benefits to which the employee is entitled, providing the employee received bona fide orders to active or training duty for a temporary period, provides them to the County, and returns to his or her position immediately upon expiration of the period for which she or he was ordered to duty.

Employees may use accrued personal time or leave without pay to cover additional National Guard or reserve training leave, including weekend training.

Section 11 - Unexcused Absence

Should the costs of such programs increase during the life of this Agreement, the parties agree to reopen Article XII, or new or improved benefits are instituted as a result of legislative action, such increases shall be borne by the **COUNTY**.

- (B) Effective January 1, 2012, employees will have the choice between a point of service plan (the "Co-Pay Plan"), and a high deductible major medical plan with a health savings account (the "HSA Plan").
- (C) For all employees who elect the HSA Plan, the **COUNTY** will deposit an amount equivalent to the annual deductible, based on their enrollment as individual or family, into the employee's health savings account for the term of this contract as follows:
 - (1) In February of 2012, the **COUNTY** will deposit the full amount for that plan year.
 - (2) Beginning January of 2013, through the term of this contract, the **COUNTY** will begin depositing 1/12 of the annual deductible amount on the first pay date of each month.

(D) Opt Out

- (1) For the plan year January 1, 2012 to December 31, 2013, the COUNTY will offer an "opt out" provision for employees who determine that they do not require medical and vision insurance coverage through the County plans. This will take effect January 1, 2012.
- (2) The monthly amount that an employee would receive is \$350.00 in lieu of medical and vision insurance coverage.
- (3) The employee will be required to provide proof of other coverage at the time of the declination of County medical and vision insurance, and is required to have continuous medical coverage.
- (A) ~~The annual medical deductible for the "Traditional" plan will be \$125 per year, per insured, with a maximum of three per family.~~

- (F) ~~UNION agrees to maintain an assertive duty to support further plan design changes as may be necessary to keep the highest year to year premium increases at or below ten percent (10%).~~

Section 3 - Insurance-Retirement Enrollment

The COUNTY agrees to enroll each eligible and qualified employee in the following programs:

- (A) The COUNTY agrees to enroll each eligible and qualified employee in the Public Employees Retirement System (PERS) or the Oregon Public Service Retirement Plan (OPSRP) and pay the employer's and employee's contribution.
- (B) The SHERIFF agrees to enroll each eligible and qualified Corrections Health Nurse and Corrections Nurse Practitioner occupying a budgeted position in the Sheriff's Office Corrections Division and working in the Sheriff's Office Corrections Division, in the Oregon Public Employee Retirement System classified as Police and Fire effective January 1, 2004.
- (C) The Social Security System (FICA), for enrollment purposes, only.

Section 4 - Joint Labor/Management Benefit Review Committee

One UNION member as designated by the UNION shall meet with representatives of other bargaining units and management representatives during the term of this contract for the purpose of monitoring insurance plan costs and utilization. The UNION will consider further modifications of the insurance plans recommended by this Benefit Review Committee provided, however, that any such changes shall be subject to mutual agreement between the parties.

Section 5 - Retiree Health Benefits

- (A) Upon retirement, all employees hired on or before July 1, 1987 and who have worked ten (10) full, continuous years prior to age seventy (70) shall be eligible for COUNTY-paid retiree health insurance and may transfer from the active group to the retired group.

- (B) Upon retirement, all employees hired after July 1, 1987 and before July 1, 1997, and who have worked twenty (20) full, continuous years prior to age seventy (70) shall be eligible for **COUNTY**-paid retiree health insurance and may transfer from the active group to the retired group.
- (C) Retired employees eligible for **COUNTY** retiree health insurance under this provision either on a **COUNTY**-paid or self-pay basis are also eligible to purchase **COUNTY** health insurance in the retired group for their dependents.
- (D) To qualify for retirement and be eligible for **COUNTY**-paid retiree health insurance, an employee must meet the years of **COUNTY** service requirement and be receiving a PERS pension, or meet the **COUNTY** service requirement and be eligible for and receiving disability benefits under PERS or Social Security.
- (E) Employees hired on or after July 1, 1997, shall not be eligible for **COUNTY**-paid retiree health insurance benefits.
- (F) The **COUNTY** agrees to provide an Early Retirement Alternative for the employees who meet the years of service requirement specified in Paragraph A or B above but who have not yet qualified for PERS retirement benefits. Under this alternative an employee must self-pay their Lane County Medical premiums continuously from the first of the month following their termination date of employment until the date the employee is eligible for PERS Retirement Benefits. Failure to collect PERS benefits as soon as eligible will disqualify the employee from **COUNTY**-paid benefits and will terminate this option.

Section 6 – Personal Property

Loss or damage to personal property shall be compensated for by the **COUNTY**, provided that:

- (A) The employee would reasonably be expected to be wearing or carrying the property in question in the performance of his/her job.
- (B) Such loss or damage occurs during the course of employment.
- (C) The loss was not the fault of the employee.

This provision does not apply to personal vehicles or similar items.

ARTICLE XIII

SAFETY

Section 1 - Safety Policy

The **COUNTY** acknowledges an obligation to provide a safe and healthy environment for its employees. Likewise, the **UNION** recognizes an obligation on behalf of employees to conform to established safety rules and regulations, and that failure to conform to such rules and regulations shall be subject to disciplinary action which may include discharge.

Section 2 - County-wide Safety Committee

The **COUNTY** agrees that the **UNION** may select one (1) representative to participate in the **COUNTY**-wide Safety Committee and one Corrections Nurse representative to participate in the Corrections Safety Committee. Employees engaged in Safety Committee activities shall do so during normal working hours without loss of pay.

Section 3 - Protective Clothing and Tools

Necessary personal protective equipment, as the **COUNTY** deems proper for the performance of any job will be supplied by the **COUNTY**, provided that such equipment is returned to the **COUNTY** in reasonable condition. Employees shall be charged the then current replacement rate for equipment not so returned. Consistent with this provision, the **COUNTY** will provide lab coats to employees who are required to wear them.

ARTICLE XIV

TRAINING

Section 1 - Employee Requests

An employee wishing training may submit a written request to his/her supervisor. Such a request may include, but is not limited to, release time with pay, flexible working hours, tuition, and travel. The supervisor shall decide whether to grant, deny or to modify the request, provided, however, any agreement shall be in compliance with the provisions of the Fair Labor Standards Act. The supervisor's decision will be reviewed by the Department Director and the Department Director's decision shall be final.

Section 2 - Required Training

When an employee is required by the **COUNTY** to take work-related training, the employee shall be granted release time with pay for such training if it occurs during working hours. When a non-exempt employee is required to take work-related training during non-working hours, the employee shall be granted overtime pay or compensating time off subject to Article IX, Hours of Work and Overtime. For the purposes of this provision, overtime shall include authorized time spent in travel. Appropriate costs for such training shall be borne by the **COUNTY**.

Section 3 - Training Proposals

- (A) An employee, group of employees, or the **UNION** on behalf of the members of the bargaining unit may present a training proposal to the Human Resources Department.
- (B) The **COUNTY's** Training Coordinator shall review and consider all proposals submitted pursuant to this section.
- (C) Upon request of the **UNION**, the Training Coordinator shall meet with the **UNION** and a reasonable number of affected employees to discuss the training proposal. Such meeting shall be held at a time and place mutually agreeable to the Training Coordinator and the **UNION**.
- (D) The Training Coordinator shall respond in writing to the **UNION** regarding the training proposal.

Section 4 - Continuing Education

- (A) The **COUNTY** agrees to make a good faith effort to allow up to forty (40) hours with pay per year for full time bargaining unit employees for voluntary educational training. Employees working less than full time will be eligible for training time proportional to their hours of employment.
- (B) The **COUNTY** further recognizes the importance of cross-training in the Public Health area and will work cooperatively with the **UNION** toward that goal.
- (C) Requests for training will receive a timely response, not later than fourteen (14) days after the date they are received.
- (C)(D) The **COUNTY** agrees to reimburse Nurse Practitioners and Physician Assistants up to \$1,000.00 annually towards the costs of continuing medical education (CME) required to maintain their licensure.

Section 5 – Training for Certified Medical Assistants

If a Certified Medical Assistant is working toward a nursing degree, the **COUNTY** agrees to reasonably accommodate the employee's need to attend classes during the work day, by either allowing the employee to take paid leave time or flex his/her hours.

ARTICLE XV

SENIORITY

Section 1 - Definition

Seniority is defined as the amount of continuous service within the bargaining unit without an interruption of services.

Section 2 - Continuous Service

Continuous service shall be employment unbroken by separation other than military, Peace Corps, or Union leave.

Section 3 - Seniority List

Employees shall be added to the seniority list upon completion of the probationary period, indicating seniority from the date of hire with Lane County. In the event of a tie in length of service, seniority will be established by the flip of a coin.

Section 4 - Non-Bargaining Unit Seniority

Employees transferred or promoted out of the bargaining unit shall not accumulate seniority while out of the bargaining unit and shall have their then existing level of seniority frozen. Any such employee subsequently returned into a bargaining unit position shall be entitled to have their (a) previous seniority restored, (b) be returned to the same wage step as prior to outside employment, and (c) be returned to the same time management accrual placement as prior to outside employment, provided they have maintained continuous employment with the **COUNTY**. Bargaining unit members who have been promoted into a supervisory non-bargaining unit position shall not maintain bumping rights in the event of a layoff. However, supervisors who have been promoted from the bargaining unit shall retain bargaining unit seniority for purposes of recall. Such recall rights shall be to the bargaining unit classification held at the time of promotion.

ARTICLE XVI

LAYOFF AND RECALL

Section 1 - Layoff

- (A) A layoff is defined as an involuntary interruption of work which does not reflect discredit on the service of the displaced employee. Bargaining unit employees with the least seniority within the job classification within a department shall be subject to layoff first unless in the **COUNTY's** judgment, the retention of special skills requires layoff on another basis. If approved by the **COUNTY**, an employee may elect to be subject to layoff even though their seniority may be greater than that of an employee scheduled for layoff.
- (B) Layoff will be by classification and on a Departmental basis only, and in concurrence with the definition of "position."
- (C) Employees subject to layoff shall be given written notification at least fourteen (14) calendar days in advance of the effective date of layoff.

Section 2 - Recall

- (A) All employees on layoff status, including previous bargaining unit employees, shall be given preference in accordance with their seniority in filling a vacant position in the classification in the bargaining unit held at time of layoff. Employees shall have recall rights first to the division from which they were laid off, second to the department from which they were laid off and then to County-wide recall, provided they possess the necessary skills, ability and fitness to perform the requirements of the vacant position. If an employee is offered recall to a position in a division other than the one held at the time of layoff and refuses said offer, the employee will remain eligible for recall only to the division and classification from which the employee was laid off.
- (B) The order in which recall/transfer takes place shall be as follows:
 - (1) Reassignment of duties within department within same classification.
 - (2) Primary recall (recall by seniority to the same classification).
 - (3) Secondary recall (recall to a position other than the classification from which the employee was laid off).
 - (4) Transfer
 - (5) Promotion
- (C) Response and Status While Subject to Recall
 - (1) Employees on layoff status shall be given preference in accordance with their seniority in filling a vacant position in the classification in the bargaining unit held at time of layoff. If an employee is offered recall to another classification, and refuses said offer, the employee will only be eligible for recall to the classification held at the time of layoff. However, an employee shall not be required to accept recall to less than their original hours in order to maintain recall rights, nor shall acceptance of such position negate their recall rights.
 - (2) Further, an employee assigned, or reassigned to a different classification at department initiative subsequent to preliminary notification of layoff, or within ninety (90) calendar days of actual layoff, will be eligible for primary recall to either the classification held at the time of layoff or the one from which reassigned. The employee shall indicate at the time

of layoff which classification they wish to retain primary recall rights to. While the employee may retain secondary recall rights to another classification (s), their primary recall rights shall only apply to the one classification identified at the time of layoff.

- (D) An employee who accepts recall to a lower classification shall retain recall rights to their original classification or original hours in accordance with Section 2 (A) of this Article.
- (E) An employee who accepts recall to a non-bargaining unit position shall retain recall rights in accordance with Section 2(A) of this Article.
- (F) An employee shall not be required to accept recall to a position which is not at their previous reporting place or located more than thirty (30) miles from their place of residence at the time of layoff.
- (G) An employee shall not be required to accept recall to less than their original hours or a temporary position in order to maintain recall rights, nor shall acceptance of such position negate their recall rights. The **COUNTY** shall offer recall employees, extra help and temporary positions on the basis of seniority as such positions become available.
- (H) An employee shall not be required to accept recall to a part-time or temporary position in order to maintain recall rights.

Section 3 - Responsibilities

- (A) In order to assure proper recall procedures, Human Resources will:
 - (1) Maintain an up to date recall list by auditing the computer generated data after each run to assure accuracy.
 - (2) When a vacancy occurs for which there are primary recall candidates, Human Resources will send a notice of recall to the most senior employee on the recall list at the last address on file or their current **COUNTY** work place. The notice shall be in a sealed envelope and delivered in a format where delivery can be verified by the recipient's signature.
 - (3) Human Resources Analysts will maintain a file on all recall candidates for secondary recall (recall to a position other than the classification from which employee was laid off). If there are no primary recall candidates for a vacant position, Human Resources Services will send all employees eligible for secondary recall a notice including a description of the job and a supplemental questionnaire to be completed and returned within five (5) work days. All those determined to meet minimum qualifications will be referred to the hiring department for interview and selection.
 - (4) Unless otherwise provided in this Article, the most senior candidate shall be recalled. If there are no candidates in the same classification as the vacant position, a list of recall candidates who meet the minimum qualifications of the vacant position as provided in subsection 2 (B) (3) above will be given to the hiring authority. Unless otherwise provided in this Article, recall shall be made from this pool of candidates.
 - (5) Human Resources will continue notifying all employees on layoff status on the recall list of employment opportunities as provided in Section 3 herein.
- (B) Employees' responsibilities include:
 - (1) Employees must notify Human Resources of changes in address, phone number or any other information which would prevent Human Resources Services from being able to contact the employee when a position becomes available (except for those working for

Lane **COUNTY**).

- (2) Employees must respond within five (5) business days from the documented date of receipt of notice of recall.
- (3) Employees planning to be out of town should notify Human Resources or notify a friend or relative to contact them immediately if they receive a notice of recall.
- (4) To give recall candidates the best opportunity for rehire, an undated application and resume should be provided to Human Resources Services office. This will be the basis for determining qualifications for positions other than the one from which layoff occurred.

Section 4 - Opportunity for Work During Layoff

- (A) The **COUNTY** shall offer employment as temporary positions to employees on layoff within the employees' classifications on the basis of seniority as such positions become available. However, if an employee is offered such a temporary position as provided herein and refuses said offer, the employee will only be eligible thereafter for recall as provided in Section 2 herein.
- (B) In the event that no employee accepts an offer of employment, as provided in subsection 3 (B) above, said employment may be offered to other employees, provided said employees possess the necessary skills, ability and fitness to perform the requirements of the available work. The **COUNTY** shall not be required to offer temporary positions to such employees on the basis of seniority.

Section 5 - Separate Classifications

A classification series is a group of classifications with similar duties of increasing complexity and responsibility which comprise the normal promotional progression within an occupation or discipline, for example: Community Health Nurse 1, Community Health Nurse 2, Dental Hygienist, Sr. Dental Hygienist. The groupings set forth in Appendix B shall be considered the classification series.

For the purpose of layoff and recall, both the **COUNTY** and the **UNION** recognize the following separate classifications and classification series set forth in Appendix B.:

- (A) — Licensed Practical Nurse
- (B) — Community Health Nurse 1 and 2 (Series)
- (C) — Nurse Practitioner - RN —————
- (D) — Mental Health Nurse
- (E) — Corrections Health Nurse
- (F) — Certified Medication Aide
- (G) — Sr. Dental Hygienist, Dental Hygienist, Dental Assistant (Series)
- (H) — Juvenile Justice System Nurse

Section 6 - Protection/Rights During Layoff

- (A) The seniority of an employee who has completed probation shall be protected for a period of twenty-four (24) calendar months during layoff, provided that such employee has not refused an opportunity to return to work in their same classification. The employee must immediately notify the **COUNTY** of any change in their mailing address. This notice requirement shall not apply to

employees working for the **COUNTY** in other positions. Failure to give notice shall result in the employee relinquishing all rights to recall.

- (B) Notwithstanding the twenty-four (24) month limit above, employees in layoff status still employed by the **COUNTY**, shall have recall rights until they are returned to their original hours (or greater) in their original classification.
- (C) Employees on layoff status shall have the option of paying for continued health insurance coverage, as provided for in COBRA. The **COUNTY** shall administer all such payments.

Section 7 - Termination for Exhaustion of Non-occupational Disability Leave

Employees who have been terminated upon exhaustion of non-occupational disability leave benefits provided under Article XI, Section 4, shall be deemed to have been laid off and shall have recall rights provided that within one (1) year of such termination a written request to be placed on the recall list is made to the Human Resources office. The request must include the employee's statement of willingness to accept regular employment under the terms of this Article and it must be accompanied by a full doctor's release stating clearly and in writing that the physical or mental problems have been corrected to the point where the employee is fully capable of performing the regular duties of the job. The recall provisions set forth above will apply as if the employee had been laid off as of the date of request for reinstatement.

ARTICLE XVII

RELATIONSHIPS

Section 1 - Change in Conditions

If the **COUNTY** changes or proposes to implement matters within the scope of representation as defined by ORS 243.650(7) and not mentioned in this Agreement which require negotiations under the law, and more than a de minimus number of employees are affected, the **COUNTY** will notify the **UNION** in writing prior to implementing the proposed change. Upon timely request of the **UNION** (within 14 days), ORS 243.698 shall apply:

Section 2 - Savings Clause

If either party of a particular work unit so requests, committees will be formed in the following work units: Public Safety, Public Health, Mental Health and Youth Services. By mutual agreement, already existing steering committees, discussion groups, task forces, or other similar forums within a work unit will serve the purpose of the Joint Labor Relations Committee.
- (B) Once requested, the work unit committees shall meet at a mutually agreed upon convenient time and place and such meeting shall, if at all practical, be scheduled within fourteen (14) days. Frequency, time and issues involved in scheduling subsequent meetings will be determined by mutual agreement.
- (C) Either party of any of the individual work unit committees may request a joint meeting with other work unit committees when issues of common interest are identified. Joint meetings require consent of all participating parties. Such joint meetings may also include the **UNION's** staff representative and the **COUNTY's** Labor Relations Specialist.
- (D) Structure of work unit committee meetings such as chairpersons, agenda setting, minutes taking and ground rules will be determined by each committee by mutual agreement.
