Lane County Marriage License Service Changes

Effective Wednesday March 18 2020, Lane County Marriage Licensing is closed to public walk-in business.

There are two ways to get a marriage license.

1. Pay the fees with a credit card. Apply for your marriage license online. Once you have completed and submitted the application, call us at 541-682-3653.
2. Pay the fees by check. Call us at 541-682-3653. Note that this method will take a few days longer than paying by credit card.

If you need a copy of a marriage license, you may contact us by phone at 541-682-3653, or by email at marriage@lanecountyor.gov

We are not scheduling civil marriage ceremonies at this time.
