AGRICULTURAL LAND DISTRICT (A-2)

10.107-05 Purpose.

The Agricultural Land District (A-2) is to define areas suitable for some agricultural activities, but are not well suited for commercial agriculture due to poorer soil conditions, presence of potentially incompatible land uses, inefficient parcel sizes and configurations or similar constraints. It is adopted as an Exclusive Farm Use District as provided for by ORS 215.203 through ORS 215.263.

The Agricultural Lands District (A-2) is to be applied to lands:

- (1) Having soils of Class I, II, III or IV as identified by the US Soil Conservation Service, or
- (2) Having suitability for farm use; or
- (3) Necessary to permit farm practices on adjacent or nearby lands although having soils other than Class I through IV; and
- (4) Not deemed suitable for designation as Important Agricultural Land (A-1), but otherwise defined as agricultural land by Statewide Goal 3.

It is County's policy to protect forestry and agricultural operations from conflicting land uses. Nothing in this chapter is intended to interfere with normal forestry or agricultural management or practices that might result in conditions such as noise, dust or smoke, visual impacts or odors for temporary periods of time. Existing or proposed non-forest or non-farm uses (i.e., dwellings) within the Agricultural Land District (A-2) must recognize that the intent of the District is to protect resource management activities and that in the event of conflict between residential uses and normal forestry or agricultural practices, this chapter will be interpreted in favor of resource management practices. *(Revised by Ordinance No. 16-80, Effective 9.27.80; 1-82, As Amended, 4.16.82)*

10.107-10 Uses.

Within an A-2 District only the following uses and buildings are permitted pursuant to the review process and criteria as specified in Table I below. The number opposite the proposed use under the column describing the land unit under consideration will indicate the appropriate review process described in LC 10.107-12.
