Chapter 21

CONTRACT POLICIES**INSURANCE****21.300 Generally.**

(1) In all contracts involving work upon a County facility or County-owned property, and in contracts involving a significant risk of liability to the County, the department handling the contract shall consult with the Risk Manager prior to advertising for bid, RFP, RFPS or obtaining quotes to determine whether the contractor will be required to provide an additional named insured endorsement in favor of Lane County for the life of the contract. If such endorsement is not obtainable, a certificate of insurance directed to the County may be substituted.

(2) The County must be informed in advance in writing of all cancellation.

(3) Limits of liability and types of coverage will be set by the Risk Manager based upon risk and exposure in the performance of the contract. Generally, the limits shall not be less than those established in the Oregon Tort Claims Act, ORS Chapter 30.

(4) Where appropriate, as determined by the Risk Manager, contractor will be required to furnish evidence of Workers' Compensation Insurance as required by ORS Chapter 656.

(5) Lane County reserves the right to secure insurance, if the contractor fails to do so, and the cost of same may be deducted from payments due to the contractor. *(Revised by Order No. 85-6-12-13, Effective 6.12.85; 05-12-14-9, 1.1.06; 11-12-14-1, 12.14.11)*

21.305 Standard Insurance Provisions for Construction Contracts.

(1) General. Contractor shall not commence any work until he or she obtains, at his or her own expense, all required insurance. Such insurance must have the approval of County as to limit, form and amount. Contractor will not permit any subcontractor to commence work on this project until the same insurance requirements have been complied with by such subcontractor.

(a) Types. The contractor shall obtain and maintain for the full period of the contract, the following types of insurance: Worker's Compensation Insurance and Comprehensive General Liability Insurance.

(b) Evidence. As evidence of specified insurance coverage, County may, in lieu of actual policies, accept certificates issued by the insurance carrier showing such policies in force for the specified period. Each policy or certificate will bear an endorsement or statement waiving right of cancellation or reduction in coverage, unless notice in writing has been delivered by registered mail to County. Should any policy be canceled before final payment by County to contractor and contractor fails immediately to procure other insurance as specified, County reserves the right to procure such insurance and to deduct the cost thereof from any sum due contractor under this contract.

(c) Adequacy of Performance. Any insurance bearing on adequacy of performance shall be maintained after completion of the project for the full guaranty period. Should such insurance be canceled before the end of the guaranty period and contractor fails immediately to procure other insurance, as specified, County reserves the right to procure such insurance and to charge the cost thereof to contractor.

(d) Payment of Damages. Nothing contained in these insurance requirements is to be construed as limiting the extent of contractor's responsibility for payment of damages resulting from his or her operations under this contract.

(2) Worker's Compensation Insurance. The industrial accident protection to be provided shall be in full compliance with ORS Chapter 656.

(3) Comprehensive General Liability Insurance.

(a) Before commencement of the work, contractor shall submit written evidence that he or she and all subcontractors have obtained for the period of the contract, full Comprehensive General Liability Insurance coverage. This coverage shall provide for: bodily injury, broad form property damage, automatic contractual liability, products, completed operations, personal injury and automobile. (b) Except as provided in this subsection (b), the limits of Liability Insurance must not be less than those provided in the Oregon Tort Claims Act, ORS Chapter 30 for local public bodies, or the minimum amounts required by the funding source providing funds for the contract, whichever is greater.

However, to encourage bidding on small contracts by small firms, the limits of liability may be set at different levels by the Risk Manager prior to bids being advertised, depending upon the risk involved and the exposure created by the fulfilling of the contract, as long as there would not be a conflict with a funding source requirement. *(Revised by Order No. 85-6-12-13, Effective 6.12.85)*

(1) Subject to deed restrictions and Federal and State laws, it shall be the policy to dispose of County-owned lands not needed for public purposes at market value, except that real property which may be utilized by a governmental agency for a public purpose within a reasonable period of time after acquisition, as determined by the Board or the Department of Management Services, shall be retained by the County until further order of the Board.

(2) The following procedures shall be followed in disposition of County-owned land:

(a) Real Property Officers, or other staff members, as delegated by the Directors of the Departments of Management Services and Public Works, are authorized to negotiate the sale, subject to Board approval, of real property having a true cash value of \$20,000 or less, if the County has no present or future need of the property, as determined by the Department of Public Works in the case of excess County rights-of-way and other property purchased through the General Road Fund, and the Department of Management Services in the case of other excess County-owned property. If funding and staffing levels permit the Department of Management Services may provide assistance with real property disposition to the Public Works Department on request. Such negotiations may only occur after the property has been offered for sale through procedures defined in ORS Chapter 275.

(b) The Director of Public Works in the case of excess rights-of-way and other property acquired through the General Road Fund, and the Director of Management Services in the case of other excess property are authorized to negotiate the sale of real property having a true cash value of \$50,000 or less, if the County has no present or future need of the property as determined by those respective Departments, subject to Board approval. Such negotiations may only occur after the property has been offered for sale through procedures defined in ORS Chapter 275.

21.430 Donation of Tax-Foreclosed Property for Low-Income Housing, Social Services or Child Care.

(1) Findings

(a) ORS 271.330(2) specifically permits counties to transfer county-owned property, tax-foreclosed or otherwise, to municipal or nonprofit corporations, with or without consideration, for the purpose of providing low-income housing, social services or child care. ORS 456.355-456.370 further provides that counties have certain powers, including the power to convey property with or without consideration, to certain entities including nonprofit corporations, in order to aid in the development of housing projects.

(b) The Board believes that safe, sanitary, affordable housing is essential to the stability and vitality of the County.

(c) While property remains in County ownership as a result of tax-foreclosure, it fails to contribute to the tax revenue stream for taxing districts at the same time it requires maintenance at County expense.

(d) The Board believes it is of much greater benefit to County residents to have such properties developed and used to provide low-income housing than to remain unused in County ownership.

(2) Definitions.

(a) "Low-Income Family" means a family whose annual income does not exceed 80 percent of the median income for the area, as determined annually by HUD.

(b) "Municipal Corporation" means any governmental organization duly organized under the laws of the State of Oregon which has as one of its powers the authority to provide housing for low-income individuals or families.

(c) "Nonprofit Corporation" means any corporation not for profit organized under ORS CH. 65 for the purpose of undertaking, constructing, or operating decent, safe and sanitary housing for low-income individuals or families.

(3) Notification of Availability of Tax-Foreclosed Property. When the foreclosed property is deeded to the County, the County Real Estate Division responsible for managing such properties (hereinafter "Real Estate Division") shall notify the cities in Lane County, the Lane County Housing Authority and such nonprofit corporations which request notice, that properties are eligible for transfer under this program. The Real Estate Division shall not schedule Sheriff's sale on these properties until 60 days after the notice is mailed. A municipal or nonprofit corporation may request the Real Estate

Division withhold from Sheriff's sale one or more specific properties for a period not exceeding six months to allow time for the requesting entity to consider making a proposal under LM 21.430(4) below.

(4) Procedure for Requesting Transfer.

(a) A municipal or nonprofit corporation may request transfer of tax foreclosed property owned by the County at anytime. The request shall be in writing, specifically identifying the property and describing the proposed use.

(b) The Real Estate Division shall in a timely manner, investigate the proposal and prepare a report for the Housing Policy Board, or other entity as designated by the Board, which covers the identity of the requesting entity; the proposed use of the property; the entity's ability (financial and otherwise) to accomplish the proposal; the location of the property and its market value and zoning; the taxes owing at the time the property was deeded to the County; and any costs incurred by the County to date in managing the property.

(c) The requesting entity shall cooperate with the Real Estate Division in the investigation, including making available as necessary such documentation as financial statements and development plans. The Real Estate Division shall work with staff to the Housing Policy Board (HPB) in conducting the investigation and preparing the report.

(d) The HPB shall review the report, direct further review as deemed necessary and make a recommendation to the Board. If the HPB's recommendation is to deny the request, the County Commissioner(s) on the HPB shall orally convey the recommendation to the Board and no further actions shall take place on the request unless directed by the Board.

(e) If the HPB's recommendation is to approve the request, the Real Estate Division shall schedule a public hearing on the request, as covered by ORS 271.330 and ORS 456.355-456.370. The Division shall duly publish notice of the hearing on the transfer for two successive weeks, before the hearing, and shall prepare the ordinance and appropriate agenda materials.

(f) At the conclusion of the hearing, the Board shall make a decision as to whether to grant or deny the request, based solely on its determination and judgment as to what is in the best interest of the public. Approval of any request shall be on such terms and conditions as deemed appropriate by the Board, and may be for consideration or for no consideration.

(5) Transfer. If approved, the transfer of title shall occur by quitclaim deed, which may provide, if so directed by the Board, that title shall revert to the County if the property ceases to be used for low-income housing purposes during a specified time period. If the requesting entity desires a bargain and sale deed, such a deed shall be provided if a title report from a title insurance company selected by the County shows clear title and the requesting entity pays for the title insurance policy; the deed may also include a reversionary clause. Terms and conditions imposed by the Board or at its direction not appropriate to a deed shall be contained in a development agreement between the County and the entity. These may include conditions of development appropriate to the project, and elements and consequences of default.

(6) Fees. There is no fee for a request pursuant to LM 21.430(3). The requesting entity shall tender with its request pursuant to LM 21.430(4) a non-refundable administrative fee of \$400 for processing the request. In addition, the requesting entity shall pay for the out-of-pocket costs of the transfer, including but not limited to the publication costs, and recording fees.

(7) Other Properties/Other Uses. The Board recognizes that ORS 271.330 permits donation of property acquired in some manner other than through tax foreclosure, and further that it permits donation to municipal or nonprofit corporations for social services or child care purposes. Should a municipal or nonprofit corporation desire to

have the Board consider donation of property obtained by any manner for statutorily-identified purposes, the same process as described above should generally be followed. The ordinance shall specify the public benefit of the transfer, any restrictions deemed reasonable by the Board, any necessary repayment of constitutionally dedicated funds used in the acquisition or improvement of the property and the source of repayment, and the appraised value of the property if it is not tax-foreclosed property.

(8) The provisions of LM 21.430(1)-(7) above are discretionary and not mandatory, despite the use of directory language ("shall" or "will"). Regardless of these provisions, the County specifically reserves the right to schedule a Sheriff's sale or sell any particular piece(s) of property at such time and in such manner as the Board deems in the County's best interest. *(Revised by Order No. 93-3-9-6, Effective 3.9.93)*

21.435 Designation of County Forests, Parks, and Recreational Areas

Only properties outside the corporate limits of a city shall be considered for inclusion on the property list.

(2) In preparing the property list, due consideration shall be given to at least the following:

- (a) Environmental issues;
- (b) Overall benefit to the County;
- (c) Financial needs of the affected departments.

(3) The property list shall be brought before the Board of County Commissioners who may, by order, designate and set aside any such properties for county forest, public park, or recreational area uses. Any properties so set aside shall thereafter be managed by the Parks Division.

(4) Property designated under LM 21.435(3) may thereafter be alienated, sold, or conveyed pursuant to ORS 275.330 following the statutory process and requirements.

(5) If a designated property is alienated, sold, or conveyed pursuant to ORS 275.330(2), the proceeds shall be held for maintenance and improvement of existing park and recreation lands or future acquisition of lands to be set aside for park or recreational purposes. *(Revised by Order No. 05-2-2-2, Effective 2.2.05)*

(b) If properly marked County timber is subdivided into smaller pieces for any other purpose than immediate processing, each piece must be branded with a county brand specifically used for this purpose and signifying the unprocessed timber is County timber ineligible for export.
