

PUBLIC HEALTH

PREVENT. PROMOTE. PROTECT.

DISTRIBUTE TO ALL CLINICIANS

Dear colleagues,

We have a process to request Personal Protective Equipment (PPE) if you currently have or anticipate a shortage that cannot be filled by available suppliers. Please exhaust available options before submitting a request.

Instructions:

1. Please review the guidance linked at [PPE request – guidance](#).
2. Please fill out the forms linked at [PPE request – forms](#) (4 pages total).
3. To submit the request, send the completed forms to EOC_Logistics@Lanecounty-eoc.net (Please note the email is EOC_Logistics). Lane County Public Health will forward the request through the appropriate channels.

Patrick Luedtke, MD, MPH
Senior Public Health Officer
Communicable Disease Epidemiology Team
Lane County Public Health Services
