NATURE OF STORY: Lane County Sheriff's Office to host *Every 15 Minutes* program at Creswell High School

LOCATION: Creswell High School, Creswell, OR

DETAILS:

Every 15 Minutes someone in the United States is killed as the result of an alcohol or distracted driving related crash. In fact, alcohol-related collisions are the leading cause of death among teenage youth. This year on March 13th and 14th, the Lane County Sheriff's Office, in conjunction with the Oregon State Police Department and South Lane Fire & Rescue, is taking a proactive step in educating local high school students about making mature decisions when alcoholic beverages and distracted driving are involved. The Lane County Sheriff's Office, in cooperation with numerous volunteers, will host a program called *Every 15 Minutes* at Creswell High School.

Every 15 Minutes is a two-day underage drinking and driving prevention program which challenges teens to think before drinking and operating any type of motor vehicle, riding in one after the operator has been drinking, or engaging in activities that cause them to become distracted such as cell phone usage. It also focuses on the impact those decisions have on family, friends, and the people you leave behind when someone is killed as a result of an alcohol or distracted driving related crash.
