

American Red Cross
Cascades Region

NEXT STEPS

For Holiday Farm Fire Evacuees

Hello! We are here to help! Life may be presenting you with many challenges, but you are not alone—there are many resources available to help you listed on the back of this sheet. And we invite you to the Multi-Agency Resource Center (MARC).

Mini-MARC

Monday - Thursday 1:00 - 5:00 pm

Lane Events Center, Room 2 (by the museum)

796 W. 13th Ave., Eugene

Now is a good time to think ahead and plan your next steps. Did you know that the Red Cross will be contacting you soon to provide help with your planning? Red Cross case managers will contact all those who were displaced by the fire into Red Cross shelters. There are many other resources that can help too.

Check the list on the other side of this page, and see if there is anything that looks helpful. You can also find the Community Resilience Toolkit below to find many pages of help for almost any need.
