

# AFFIDAVIT OF COMPLIANCE WITH LANE COUNTY COMMUNITY BENEFITS BIDDING REQUIREMENTS

("Applicant") has prepared and submitted a prequalification application to Lane County for the Community Benefits Bidding Program ("CBB") for Public Improvement projects of \$500,000 and over. Applicant agrees to be bound by the statements made herein and will provide additional documentation supporting compliance with the obligations described in this Affidavit upon request from Lane County.

1.1 Living Wage. If awarded a contract for a Lane County CBB project, Applicant will pay all trade workers employed on the project a living wage, as determined by Lane County, of not less than \$25.35 per hour. This rate will be paid to all workers employed by the applicant that will be performing construction and construction-related trades at the site, with the exception of management, administrative positions, delivery persons, and apprentices enrolled in an Oregon-registered apprenticeship program as provided in subsection 1.3 below.

1.2 Full-Family Health Care. If awarded a contract for a Lane County CBB project, Applicant will provide to all its trade workers employed on the project employer-paid full-family health coverage. For purposes of this affidavit, full-family health care coverage means a plan covering health care expenses that provides such coverage for the worker, the worker's spouse or legal partner, and minor dependents.

Applicant further understands and agrees that prior to award of a contract, the County will require Applicant to provide detailed information describing health care plan to determine compliance with the CBB requirements.

1.3 Participation in Apprenticeship Program. If awarded a contract for a Lane County CBB project, Applicant will be an Apprentice Training Agent/Employer registered with the State of Oregon Bureau of Labor & Industries (BOLI), and Applicant will encourage participation of apprentices on the CBB project.

BY EXECUTION OF THIS AFFIDAVIT, THE UNDERSIGNED INDIVIDUAL CERTIFIES TO LANE COUNTY THAT:

- The undersigned person has the power and authority to execute this Affidavit on behalf of Contractor, and to bind the Bidder to its terms, and
- Swears and affirms to all statements made and agreed to herein, under penalty of perjury.
