**Will there be any reduction in taxes/values or change in the payment deadline due to Covid-19?**

Our programs and deadlines are primarily administered by the Oregon Department of Revenue. At this time, we haven’t been notified of any program changes but we understand that there is potential legislation and/or rule making being considered to address the current COVID-19 ramifications. We will do our best to post any property tax related adjustments or change on our website as we’re aware of them.
