Planned Parenthood of Southwestern Oregon

What you should know about PPSO

Planned Parenthood of Southwestern Oregon (PPSO) has been serving patients in the Southwestern Oregon communities for over 54 years. PPSO is one of Oregon's leading providers of high-quality, affordable health care and sex education.

PPSO offers quality reproductive health services in a **confidential, non-judgmental, and culturally sensitive environment**. Serving over **31,000** patients annually at our **5 health centers**.

**We're open
6 days a week!**

Monday	9:30am - 6pm	*Saturdays open only at our Eugene- Springfield location.
Tuesday	9:30am - 6pm	
Wednesday	9:30am - 6pm	
Thursday	10:30am - 6pm	
Friday	9:30am - 6pm	
Saturday	8:30am - 4pm*	

Our **Southwestern Oregon** patients benefit from having **the full range of reproductive health services** available through telehealth and in-person at our local health centers.

As a community partner, PPSO provides reproductive health care services and follow-up for birth control, emergency contraception, STD testing and treatment, and other services. By providing reproductive health services, PPSO could help **reduce emergency room visits** for reproductive health care and follow-up services. Our health centers can easily provide these services and the follow-up required to **keep patients safe and healthy**.
