LANE COUNTY PARKS ANNUAL PARKING PASS INFORMATION

A Lane County Parks Annual Parking Pass allows you to quickly enter all Lane County Parks, which are listed on the back of this sheet. A valid pass is needed year-round. This pass is valid for parking at all Lane County Parks locations through the month and year punched on the pass; any other punches to pass render the pass invalid. The pass must be affixed to vehicle windshield to avoid citation. To apply, remove from slip and press the entire front surface of the pass firmly onto the windshield. Pass can easily be removed and transferred by simply peeling back from windshield and re-applied by following directions above.

Please read the following information provided so that we can serve you best:

1. Damaged Annual Parking Passes may be replaced at no charge if damaged and original pass is presented at time of replacement. No replacement passes will be provided for lost passes.
2. Annual Parking Passes are good for one vehicle at a time, but may be transferred between vehicles.
3. Annual Parking Passes MUST be affixed to the WINDSHIELD at all times while visiting a Lane County Park to avoid citation for failure to display pass. Lane Code 6.530(4)
4. Lane County Parks are open from dawn to dusk. Most restrooms are open from April 1 through October 31 and use of the restroom requires valid display of a pass. *Open and Close times/date are subject to change.*

NO REFUNDS GIVEN FOR ANNUAL PARKING PASSES

**There is NO universal parking pass that covers all of Oregon.
Each agency issues its own pass. You must display a separate pass if required.**
