You must register 12 hours before a class, or 48 hours before a Monday class or class after a holiday. You will receive an email with your workshop access information.

**Interview Workshop:** Are you landing interviews, but not your dream job? Are situational questions keeping you up at night? How do you answer a question about your last employer if you were terminated? Let us help answer all these and more.

**Networking Workshop:** Branding, an elevator speech and LinkedIn—how will they support your job search? Let us help you discover and navigate the new, virtual networking environment, while reinforcing your in-person networking skills.

**Resume Workshop:** Learn techniques and strategies to create or refurbish your resume for industry specific, job tailored, and unique-to-you uses. Discover tricks that snag the hiring team's attention. Understand how to pass the ATS system from robot to human eyes and more!

**Soft Skills Workshop:** It's been said, "You're hired for your hard skills and fired for your soft skills" — but what is a soft skill and why it is important in finding, and keeping, a great job? In this workshop, we will introduce soft skills as well as help you discover which of these soft skills are your strengths.

**Successful State Applications Workshop:** Are you interested in applying to jobs with the State of Oregon? Review how to research State of Oregon job announcements, agencies and job classifications. Discover how to tailor your resume to the job description, all while networking with live State Agents.

**Virtual Interview Workshop:** Are you ready to take on a virtual interview? Is your lighting, dress, background, voice and tone ideal for the virtual setting? Do you know what it's like to pre-record your interview questions? Are you adept at moving about in a virtual space? If not, let us help you build skill and confidence for your next virtual interview!
