

LANE COUNTY PUBLIC WORKS

Contractor Responsibility Form

LAND MANAGEMENT DIVISION 3050 N. DELTA HWY, EUGENE OR 97408

Certain applicants for building permits may be exempt from licensure with the Construction Contractors Board (CCB) in accordance with ORS 701.010(6). This statute essentially allows a person to perform work on a property that person owns or resides in without registering with the CCB as long as the property and improvements on which work is being performed is not intended for sale before, upon or after completion. Whether exempt from licensure or not, each applicant is to review the CCB's "Notice to Property Owners About Construction Responsibilities" and is required by law to complete this form prior to permit issuance per ORS 701.325(2). This statement will be filed with the permit record.

A copy of the CCB's "Notice to Property Owners About Construction Responsibilities" can be obtained from the Lane County Land Management Division office or on the web at www.ccb.state.or.us.
